

VALIC Continues Digital Transformation with Revamped, Easy to Use Platform for Plan Sponsors

November 7, 2018 at 12:30 PM EST

HOUSTON--(BUSINESS WIRE)--Nov. 7, 2018-- VALIC, an AIG company (NYSE: AIG) and a leading group retirement plan provider, has launched SponsorFITSM, an innovative web-based tool for plan sponsors and part of the VALIC.com experience. SponsorFIT is designed to help plan sponsors monitor and improve plan health, as well as simplify plan administration, allowing them to better support plan participants.

Corporate Insight, a nationally recognized reviewer of websites, indicated the launch of SponsorFIT, "effectively brings together the latest in digital trends and best practices while delivering an enhanced user experience that offers mobile accessibility and a more action-oriented, modernized user interface, edging the firm into the upper echelon of its peers with respect to the overall experience."

"SponsorFIT is not only about creating digital tools, but creating cohesive, personalized digital experiences for our plan sponsors," said Robert Scheinerman, president, Group Retirement, AIG Life & Retirement. "We expect SponsorFIT to play a significant role in transforming the way our plan sponsors interact with their plan participants and with us."

With plan data and trends accessible anytime from a variety of devices, plan sponsors will be able to tailor strategies to help drive enhanced retirement-readiness outcomes for their employees. Sponsors can easily review requests, access participant information and communicate directly with VALIC through SponsorFIT, which is accessible through the company's award-winning public-facing site VALIC.com. The revamped plan sponsor portal brings together the latest in digital trends that have emerged in recent years, including improved mobile capabilities, a more action-oriented approach and a cleaner user interface—all of which add up to an enhanced user experience.

"SponsorFIT equips sponsors with the ability to navigate the complexity of today's retirement landscape with confidence," continued Scheinerman. "Enhancing technology and how sponsors and clients interact with us is a key component of our ongoing mission to help people achieve the financial futures they desire."
