

## **AIG Retirement Services Selected as Exclusive Retirement Plan Provider for Care New England Health System**

February 3, 2021

HOUSTON--(BUSINESS WIRE)--Feb. 3, 2021-- AIG Retirement Services, a leading retirement plan provider for tax-exempt and public sector employers, today announced it will serve as the exclusive retirement plan provider for Care New England, a non-profit health care system with over 7,000 employees and over \$400 million in retirement plan assets.

"We are honored to bring our services to Care New England, especially at a time when our nation's health care systems are doing such extraordinary work," said Gilliane Isabelle, Chief Distribution Officer, AIG Retirement Services. "AIG Retirement Services works to help those who serve others achieve the retirement they envision, and we are pleased to have the opportunity to bring our powerful technologies and a personalized retirement plan experience to so many Rhode Island frontline health care workers."

AIG Retirement Services provides retirement plan participants with access to valuable education and guidance—however and whenever they prefer. Through the user-friendly, interactive online experiences FutureFIT® and Retirement Pathfinder, AIG Retirement Services helps plan participants work toward their desired retirement outcomes by making finances personal, understandable and accessible.

"Care New England looks forward to our new partnership with AIG Retirement Services, which includes the important step of consolidating our 403(b) and 457(b) plans onto one platform," said Gillian Cook, Compensation & Retirement Manager, Care New England. "Unifying the administration of these retirement plans will give our employees a better, more comprehensive user experience."

AIG Retirement Services offers plan sponsors powerful data analytics that help drive employee engagement and improve participant outcomes. AIG's SponsorFIT® transforms how employers run their retirement plans, uncovering plan-specific opportunities through customized reports identifying plan trends and actionable data-driven insights.
