

AIG Announces Plans to Form Independent Managing General Agency to Serve High Net Worth and Ultra High Net Worth Markets

February 13, 2023

Business to be Rebranded as Private Client Select Insurance Services (PCS)

NEW YORK--(BUSINESS WIRE)--Feb. 13, 2023-- American International Group (NYSE: AIG) today announced that it has entered into a binding memorandum of understanding with Stone Point Capital LLC (Stone Point), a leading private equity firm focused on investing in businesses within the global financial services industry, to form an independent Managing General Agency (MGA) to serve High Net Worth and Ultra High Net Worth markets.

AIG's Private Client Group (PCG) business will move to this new independent platform and be rebranded as Private Client Select Insurance Services (PCS).

"As previously disclosed, AIG has been exploring structures that, over time, will allow PCG to be supported by third-party capital providers, including AIG and its innovative syndicate at Lloyd's, referred to as Syndicate 2019. By partnering with a world-class private equity firm like Stone Point, we can maximize the strengths of this business and improve product offerings to better serve the High and Ultra High Net Worth markets," said Peter Zaffino, Chairman and Chief Executive Officer, AIG.

PCG personnel, including the experienced leadership team, led by PCG's President and Chief Executive Officer, Kathleen Zortman, will transfer to the MGA once it is formed. Throughout the transfer process, clients and distribution partners will continue to benefit from PCG's industry-leading high-touch service.

"We are excited to be entering this partnership and look forward to building a top performing MGA committed to excellence in the attractive High and Ultra High Net Worth markets," said Jim Carey, Managing Director Stone Point. "I am confident that Stone Point's experience in the insurance industry, coupled with AIG's risk management expertise and product knowledge, will create significant value for all stakeholders."

Completion of the proposed transactions among AIG and Stone Point is subject to negotiation of definitive agreements, obtaining required permits and regulatory approvals. The terms of the transaction have not been disclosed.
