AIG ANNOUNCES REFERENCE YIELDS FOR U.S. DOLLAR-DENOMINATED DEBT SECURITIES SUBJECT TO ITS PREVIOUSLY ANNOUNCED TENDER OFFERS

NEW YORK, June 25, 2014 – American International Group, Inc. (NYSE: AIG) today announced the pricing of the U.S. dollar-denominated debt securities issued or guaranteed by AIG (the “Dollar Securities”) subject to its previously announced cash tender offers (the “Tender Offers”) pursuant to its offer to purchase dated June 12, 2014 (the “Offer to Purchase”).

The reference yield for each series of Dollar Securities was calculated as of 2:00 p.m., New York City time, on June 25, 2014, based on the bid-side price of the applicable reference security displayed on Bloomberg Page PX1 set forth in the table below. The complete terms of the Tender Offers are set forth in the Offer to Purchase, including certain capitalized terms used but not defined herein, and, as applicable, the related letter of transmittal. The reference yields will be used to determine the consideration paid for each series of Dollar Securities that are accepted for purchase after expiration of the Tender Offers.

The expiration date of the Tender Offers is 11:59 p.m., New York City time, on July 10, 2014, unless extended (the “Expiration Date”). Holders who have not already tendered their Dollar Securities may continue to do so at any time prior to the Expiration Date, in accordance with the procedures described in the Offer to Purchase and related letter of transmittal (together, the “Offer Documents”). Holders who validly tender and do not withdraw their Dollar Securities on or prior to 5:00 p.m., New York City time, on June 25, 2014, unless extended (the “Early Participation Date”), and whose Dollar Securities are accepted for purchase pursuant to the Tender Offers, will receive the Total Consideration set forth below, which includes an early participation amount of \$50.00 per \$1,000 principal amount of Dollar Securities validly tendered and accepted for purchase (the “Early Participation Amount”). Holders validly tendering their Dollar Securities after the Early Participation Date and on or prior to the Expiration Date will not be entitled to receive the Early Participation Amount. Tenders of Dollar Securities may be validly withdrawn at any time at or prior to 5:00 p.m., New York City time, on June 25, 2014, but not thereafter.
