It should be noted that the remarks made on the conference call may contain projections concerning financial information and statements concerning future economic performance and events, plans and objectives relating to management, operations, products and services, and assumptions underlying these projections and statements. It is possible that AIG's actual results and financial condition may differ, possibly materially, from the anticipated results and financial condition indicated in these projections and statements. Factors that could cause AIG's actual results to differ, possibly materially, from those in the specific projections and statements include developments in global credit markets and such other factors as are discussed in Item 1A. Risk Factors of AIG's Annual Report on Form 10-K for the year ended December 31, 2007, in Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations of AIG's Quarterly Report on Form 10-Q for the period ended June 30, 2008, and in AIG's Current Report on Form 8-K dated September 26, 2008 (reporting AIG's entry into a material definitive agreement). AIG is not under any obligation (and expressly disclaims any such obligation) to update or alter its projections and other statements whether as a result of new information, future events or otherwise.
