Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On November 25, 2019, American International Group, Inc. ("AIG") entered into a membership interest purchase agreement with Fortitude Group Holdings, LLC ("Fortitude"), The Carlyle Group L.P. ("CG"), Carlyle FRL, L.P., an investment fund advised by an affiliate of CG ("Carlyle FRL"), T&D United Capital Co., Ltd. ("T&D") and T&D Holdings, Inc. ("TDH") (the "Purchase Agreement"), pursuant to which, subject to the satisfaction or waiver of certain conditions set forth therein, Carlyle FRL will purchase from AIG a 51.6% ownership interest in Fortitude for a purchase price of \$1,209,359,618, subject to the adjustments set forth in the Purchase Agreement, and T&D will purchase from AIG a 25% ownership interest in Fortitude for a purchase price of \$585,930,047, subject to the adjustments set forth in the Purchase Agreement (the "Transactions"). In addition, the parties will seek to cause to be paid to AIG a planned distribution of \$500 million on a non-pro rata basis, subject to regulatory approvals (the "Target Distribution"). To the extent AIG does not receive all or a portion of the Target Distribution prior to the later of May 13, 2020 and the closing of the Transactions (the "Closing"), Carlyle FRL, with funding from new investors, will pay AIG up to an additional \$258 million and T&D will pay AIG up to an additional \$125 million. Following Closing, AIG's ownership interest in Fortitude will be reduced from 80.1% to 3.5%, subject to the adjustments set forth in the Purchase Agreement. Fortitude is the holding company for Fortitude Reinsurance Company, Ltd. ("Fortitude Re"), formerly known as DSA Reinsurance Company, Ltd., the reinsurer of approximately \$31 billion of reserves from AIG's Legacy Life and Retirement Run-Off Lines and approximately \$4 billion of reserves from AIG's Legacy General Insurance Run-Off Lines related to business written by multiple wholly-owned AIG subsidiaries. AIG expects to contribute approximately \$1.45 billion of the proceeds of the sale to certain of its insurance company subsidiaries for a period of time following Closing.

AIG's Board of Directors and the governing bodies of Fortitude, Carlyle FRL and T&D have each approved the Transactions. Each of the parties has made customary representations and warranties in the Purchase Agreement and agreed to certain covenants and other obligations, including indemnities for breaches of the Purchase Agreement. The purchase price under the Purchase Agreement is subject to a post-closing purchase price adjustment pursuant to which AIG will pay Fortitude Re for certain adverse development in property casualty related reserves, based on an agreed methodology, that may occur on or prior to December 31, 2023, up to a maximum payment of \$500 million. Upon Closing, the adverse development cover that AIG had agreed to provide to TC Group Cayman Investment Holdings, L.P. ("TC"), an affiliate of CG, in connection with TC's 2018 purchase of a 19.9% ownership interest in Fortitude (the "2018 Transaction"), will be terminated. In connection with the Purchase Agreement, AIG, Fortitude and an affiliate of Carlyle FRL have agreed, effective as of Closing, that AIG's commitment to invest or cause Fortitude to invest at least \$6 billion of investment assets into various CG strategies on or before May 13, 2021 will be assumed by Fortitude, and AIG will be released therefrom. Consistent with the terms of the 2018 Transaction, TC remains obligated to pay AIG \$95 million at December 31, 2023 and, to the extent AIG does not receive all or a portion of the Target Distribution prior to May 13, 2020, up to an additional \$100 million. Upon Closing of the Transactions, the unconditional capital maintenance agreement provided by AIG for the benefit of Fortitude Re will be terminated.

Consummation of the Transactions is subject to customary closing conditions, including, among others, (1) the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, if required, and receipt of certain regulatory approvals, including approval of the Bermuda Monetary Authority (the "BMA"), (2) the absence of any injunction, judgment or ruling of a governmental authority enjoining, restraining or otherwise prohibiting the Transactions and (3) subject to specified materiality standards, the accuracy of the representations and warranties of, and performance of all covenants by, the parties as set forth in the Purchase Agreement. Additionally, consummation of the Transactions is subject to approvals of the BMA, the New York State Department of Financial Services, the Texas Department of Insurance, the Illinois Department of Insurance, the Pennsylvania Insurance Department and the Delaware Department of Insurance with respect to certain amendments to the underlying reinsurance and investment advisory agreements among AIG, Fortitude and their respective affiliates. In addition, AIG's obligation to consummate the Transactions is subject to the termination of \$550 million of letters of credit (the "Fortitude Re LOCs") for which AIG is applicant and obligor, and the replacement of the Fortitude Re LOCs with another source of statutory capital for Fortitude Re.

The Purchase Agreement also provides certain termination rights for AIG, Carlyle FRL and T&D, and further provides that upon termination of the Purchase Agreement, due to a material breach by Carlyle FRL of its obligations under the Purchase Agreement or a failure of Carlyle FRL to fund the purchase price payable to AIG, CG will be required to pay AIG a termination fee of \$100 million.

Upon Closing of the Transactions, AIG's Legacy Portfolio would recognize a loss for the portion of the unamortized balance of the intercompany prepaid insurance assets and related deferred acquisition costs that are not recoverable. As of September 30, 2019, the unamortized balances of the aforementioned prepaid insurance assets and related deferred acquisition costs were \$2.4 billion (after-tax) and \$0.4 billion (after-tax), respectively. This combined loss of \$2.8 billion would be incremental to any gain or loss recognized on the sale of AIG's controlling interest in Fortitude. The incremental gain or loss AIG will recognize on the sale of its controlling interest in Fortitude would be impacted, perhaps significantly, by market conditions existing at the time of Closing of the Transactions.

The foregoing description of the Purchase Agreement and the Transactions does not purport to be complete and is qualified in its entirety by the terms and conditions of the Purchase Agreement, a copy of which is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The Purchase Agreement contains representations, warranties and covenants that the respective parties made to each other as of the date of such agreement or other specific dates. The assertions embodied in those representations, warranties and covenants were made for purposes of the contract among the respective parties and are subject to important qualifications and limitations agreed to by the parties in connection with negotiating such agreement. The Purchase Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about AIG, Carlyle FRL, T&D or any other party to the Purchase Agreement. In particular, the representations, warranties, covenants and agreements contained in the Purchase Agreement, which were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the contracting parties (including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts) and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to reports and documents filed with the Securities and Exchange Commission. Investors should not rely on the representations, warranties, covenants and agreements, or any descriptions thereof, as characterizations of the actual state of facts or condition of any party to the Purchase Agreement. In addition, the representations, warranties, covenants and agreements and other terms of the Purchase Agreement may be subject to subsequent waiver or modification. Moreover, information concerning the subject matter of the representations and warranties and other terms may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in AIG's, CG's or TDH's public disclosures.

ARTICLE I

Purchase and Sale of Purchased Units; Closing

Section 1.01 Purchase and Sale of the Purchased Units On the terms and subject to the conditions hereof, at the Closing:

(a) Seller shall sell, transfer and deliver or cause to be sold, transferred and delivered to Carlyle Buyer, and Carlyle Buyer shall purchase from Seller, free and clear of all Liens, the Carlyle Buyer Purchased Units for an aggregate purchase price of (i) \$1,209,359,618, minus (ii) the Carlyle Buyer Acquired Portion of any Leakage at or prior to the Closing (the "Carlyle Buyer Purchase Price"); provided, that, at any time prior to the Closing, each of Seller and Carlyle Buyer may elect (in their sole discretion) to change the number of Carlyle Buyer Purchased Units to Four Thousand Five Hundred Sixty (4,560), thereby modifying the Carlyle Buyer Acquired Portion to equal 45.6% of the ownership interest in the Company; provided, further, that if the number of Carlyle Buyer Purchased Units and the Carlyle Buyer Acquired Portion are so modified the Carlyle Buyer Purchase Price shall be reduced proportionately; and

(b) Seller shall sell, transfer and deliver or cause to be sold, transferred and delivered to T&D, and T&D shall purchase from Seller, free and clear of all Liens, the T&D Purchased Units for an aggregate purchase price of (i) \$585,930,047, minus (ii) the T&D Acquired Portion of any Leakage at or prior to the Closing (the "T&D Purchase Price").

Section 1.02 Leakage.

(a) From the date hereof until the date that is two (2) Business Days prior to the anticipated Closing Date, Seller shall notify Purchasers promptly upon becoming aware of the occurrence of any Leakage, and shall provide to each Purchaser such information as such Purchaser may reasonably request relating thereto. Not less than five (5) Business Days prior to the anticipated Closing Date, Seller shall provide to Purchasers a statement identifying in reasonable detail all amounts of Leakage that, to the Knowledge of Seller, have occurred or will occur on or prior to the Closing Date.

(b) Following the Closing, but subject to Section 1.02(c), Seller shall pay each Purchaser such Purchaser's Acquired Portion of the amount of any Leakage that was not included in the calculation of the Purchase Price. The parties shall cooperate in good faith to determine the amount of such Leakage, including by each Purchaser notifying the other Purchaser of its determination of any Leakage amount and keeping such other Purchaser apprised of the status of any dispute with respect to Leakage. If the amount of any Leakage has not been agreed between a Purchaser and Seller within fifteen (15) Business Days after such Purchaser notifies Seller of any such Leakage, then such Purchaser may seek to enforce its right to recover therefor in accordance with Section 10.11. For each Purchaser, any such payment shall be made within five (5) Business Days following the date that the amount of such Leakage is determined by mutual agreement of such Purchaser and Seller or, if disputed, when a final nonappealable judgment shall have been entered with respect to such dispute.

(c) Seller shall have no liability pursuant to Section 1.02(b) unless one or both Purchasers have provided written notice to Seller, including evidence to support the existence and amount of Leakage that was not included in the calculation of the Carlyle Buyer Purchase Price or the T&D Purchase Price, on or before the date that is 12 months following the Closing Date.

(d) Any payments in respect of Leakage paid pursuant to Section 1.02(b) shall be treated as an adjustment to the Carlyle Buyer Purchase Price and the T&D Purchase Price (as applicable) for all purposes.

Section 1.03 Closing Date. The closing of the Acquisition and of the other transactions contemplated by this Agreement to be then completed (the “Closing”) shall take place at the offices of Willkie Farr & Gallagher LLP, 787 7th Avenue, New York, New York 10019, at 10:00 a.m., New York City time, (i) on the last Business Day of the month during which all the conditions set forth in ARTICLE VI have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) in accordance with this Agreement (the “Condition Satisfaction”) or (ii) if the Condition Satisfaction occurs less than five Business Days prior to the last Business Day of such month, then the Closing shall take place on the last Business Day of the month immediately following the month in which the Condition Satisfaction occurs, or in each case, at such other time, date and place as Purchasers and Seller may mutually agree in writing. The date on which the Closing takes place is referred to herein as the “Closing Date”. (b) T&D shall pay to Seller an additional amount equal to (i)(A) the Target Distribution Amount, minus (B) the Paid Distribution Amount as of the Final Distribution Payment Date, multiplied by (ii) the T&D Acquired Portion.

Section 1.06 Additional Post-Closing Adjustment. The Purchase Price shall be subject to adjustment after the Closing Date as follows:

(a) Not later than March 15, 2024, the Company shall prepare and deliver to Seller a report (the "Final Report") in a form reasonably acceptable to Seller setting forth in reasonable detail, including all supporting calculations and methodology, Fortitude Re's calculation, as of December 31, 2023, of the End Date Economic Reserves, the Reserve Cover Amount and the Reserve Cover Payment. Notwithstanding the foregoing, in the event that the Reserve Cover End Date occurs prior to December 31, 2023 as the result of a Change of Control, the Company shall prepare and deliver to Seller the Final Report within 30 days of (i) the date on which the parties first entered into a definitive agreement for such Change of Control or (ii) in the case of a Change of Control that does not occur pursuant to a definitive agreement, the date of such Change of Control, but in either case not earlier than March 15 of the year following the Reserve Cover End Date. Further, in the event that the Reserve Cover End Date occurs prior to December 31, 2023 as the result of a commutation of the obligations under the P&C Reinsurance Agreements (other than an Agreed Termination), the Company shall prepare and deliver to Seller the Final Report within 30 days of the date on which the event giving rise to such commutation occurs, but in any case not earlier than March 15 of the year following the Reserve Cover End Date. An illustrative calculation of the Reserve Cover Payment is attached as Schedule 1.06.

(b) Following delivery of the Final Report, the Company shall and shall cause the Company Subsidiaries to (i) promptly provide to Seller and Seller's Representatives copies of such additional work papers and other documents relating to the preparation of the Final Report as Seller may reasonably request, and (ii) make relevant personnel reasonably available to Seller and Seller's Representatives for the purpose of providing such other information as they may reasonably request. In the event that Seller has any disagreement with the Final Report, Seller shall give written notice thereof (a "Notice of Disagreement") to the Company within 60 days after the Final Report has been delivered to Seller. The Notice of Disagreement shall set forth the reasons for the disagreement and shall specify the adjustments to the End Date Economic Reserves, the Reserve Cover Amount and the Reserve Cover Payment that Seller believes should be made. If Seller does not deliver a Notice of Disagreement within such 60-day period, the Company's calculations contained in the Final Report shall be deemed final and binding on the parties.

(c) If Seller disagrees with all or any portion of the Final Report and provides a Notice of Disagreement in accordance with Section 1.06(b), Seller and the Company shall negotiate in good faith to reach an agreement during the 60-day period following delivery of the Notice of Disagreement. If Seller and the Company are unable to reach agreement within 60 days after delivery of the Notice of Disagreement, either the Company or Seller may refer any unresolved disputed items to an Independent Arbitrator. Once engaged, the Company and Seller will direct the Independent Arbitrator to render a determination within 60 Business Days of its retention, and the Company, Seller and their respective Representatives will cooperate with the Independent Arbitrator during its engagement pursuant to this Section 1.06(c). The Company, on the one hand, and Seller, on the other hand, shall each submit a binder to the Independent Arbitrator within 10 Business Days after the Independent Arbitrator's engagement pursuant to this Section 1.06(c), which binder shall contain their respective computations of the disputed items identified in the Notice of Disagreement and information, arguments and support for their respective positions, and shall concurrently deliver a copy thereof to the other party. Each of the Company and Seller shall then be given an opportunity to supplement the information, arguments and support included in its binder with one additional submission to respond to any arguments or positions taken by the other party in its binder, which supplemental information shall be submitted to the Independent Arbitrator (with a copy thereof to the other party) within five Business Days after the first date on which both the Company and Seller have submitted their respective binders to the Independent Arbitrator. The Independent Arbitrator shall thereafter be permitted to request additional or clarifying information from each of the Company and Seller, and each of the Company and Seller shall cooperate and shall cause their respective Representatives to cooperate with such requests of the Independent Arbitrator. The Independent Arbitrator shall determine, based solely on such binders presented and upon information received in response to such requests for additional or clarifying information, and not by independent review, only those issues in dispute referred to the Independent Arbitrator pursuant to this Section 1.06(c) and shall render a written report to Company and Seller (the "Final Decision") which shall set forth, in reasonable detail, the Independent Arbitrator's determination with respect to each of the disputed items or amounts specified in the Notice of Disagreement. In resolving any disputed item referred to it pursuant to this Section 1.06(c), the Independent Arbitrator (i) shall be bound to the terms of this Agreement, (ii) shall limit its review to matters specifically set forth in the Notice of Disagreement and referred to it pursuant to this Section 1.06(c), (iii) shall, in the case of a dispute with respect to the End Date Economic Reserves, select whichever of the two proposed End Date Economic Reserve amounts it believes is closer to the best estimate of the End Date Economic Reserves, based on actuarial assumptions that incorporate a 50% confidence level, or central best estimate, and (iv) shall, in the case of a dispute with respect to the Reserve Cover Amount or the Reserve Cover Payment that is separate from any dispute regarding the amount of the End Date Economic Reserves, resolve the dispute by selecting the position presented by one of the parties that the Independent Arbitrator believes best reflects the intent of the relevant provisions of this Agreement. For the avoidance of doubt, the parties intend for any dispute submitted to the Independent Arbitrator pursuant to this Section 1.06(c) to be resolved by "baseball" arbitration, and therefore the Independent Arbitrator shall not assign a value to any item other than the value for such item claimed by either the Company or Seller. The Final Decision, absent fraud or manifest error, shall be final and binding upon the Company and Seller and shall be deemed a final arbitration award that is binding on each of the Purchasers, the Company and Seller, and no party shall seek further recourse to courts, other tribunals or otherwise with respect to the Final Decision, other than to enforce the Final Decision. Judgment may be entered to enforce the Final Decision in any court having proper jurisdiction.

(d) In connection with disputes under Section 1.06(c), the fees and costs of the Independent Arbitrator shall be shared equally by the Company and Seller.

(e) If the Final Report (in the circumstances set forth in the last sentence of Section 1.06(b)) or the Final Decision (in the circumstances set forth in Section 1.06(c)) reflects a Reserve Cover Payment of greater than \$0, then within 30 days following the determination of the Reserve Cover Payment, Seller shall contribute an amount (for no additional Units) equal to the Reserve Cover Payment to Fortitude Re on behalf of the Purchasers and 2018 Buyer by wire transfer of immediately available funds or through transfer of marketable securities that are reasonably acceptable to the Company and that would then qualify to be held in the LPT Accounts (valued at their then-fair market value), as follows. First, any Reserve Cover Payment will be deposited into the LPT Accounts to the extent of any shortfall in the required balance of such accounts as of such time. To the extent that any portion of the Reserve Cover Payment remains after such funding, then (i) if Fortitude Re does not then have an Acceptable Rating (as defined in the Amended LPT Assets Management Agreement), such portion shall be deposited by Seller on behalf of Fortitude Re into a trust (the "Back-up Trust") for the benefit of the Ceding Companies under the P&C Reinsurance Agreements, and (ii) if Fortitude Re does then have an Acceptable Rating, such portion shall be paid by Seller directly to Fortitude Re. Fortitude Re may direct that amounts in the Back-up Trust be used to pay any quarterly settlement due from Fortitude Re to the Ceding Companies in connection with the P&C Reinsurance Agreements and Amended LPT Assets Management Agreement. In addition, the Back-up Trust will be available to be drawn by the Ceding Companies in the event of any failure by Fortitude Re to pay amounts due under the P&C Reinsurance Agreements and Amended LPT Assets Management Agreement. The assets in the Back-up Trust will be subject to the same investment guidelines that apply to the existing LPT Accounts, and asset allocations and concentration limits will be determined on an aggregate basis with the LPT Accounts. Any remaining balance in the Back-up Trust will be released to Fortitude Re upon termination of the P&C Reinsurance Agreements. Except as otherwise set forth in this Section 1.06(e), the agreement for the Back-up Trust will be in the form of, and otherwise satisfy the requirements for, a NY Reg. 114 trust agreement. Seller and the Company shall cause the relevant Ceding Companies and Fortitude Re, respectively, to enter into the foregoing agreement. Notwithstanding the foregoing, in the event the Reserve Cover End Date occurs prior to December 31, 2023 as the result of a Change of Control, no payment shall be due from Seller prior to the date the Change of Control occurs. If a definitive agreement providing for a Change of Control is terminated prior to the completion thereof, then the Reserve Cover End Date shall not be deemed to have been accelerated and the provisions of this Section 1.06 shall continue in full force and effect.

(f) Notwithstanding Section 1.06(e), in the event of a commutation of the obligations under the P&C Reinsurance Agreements prior to December 31, 2023 (other than an Agreed Termination), no Reserve Cover Payment shall be due prior to the later of (i) March 31, 2024 and (ii) 10 Business Days after the date that all Special Termination Payments (as defined in the P&C Reinsurance Agreements) are indefeasibly paid by Fortitude Re to the applicable Ceding Companies. In the event that the aggregate amount paid by Fortitude Re is less than the amount of Special Termination Payments due the Ceding Companies upon such commutation pursuant to the P&C Reinsurance Agreements, as a result of the insolvency of Fortitude Re or otherwise, the Reserve Cover Payment will be automatically reduced by such deficiency. Seller shall contribute an amount (for no additional Units) equal to the Reserve Cover Payment (as adjusted pursuant to the preceding sentence, if applicable) to Fortitude Re (at the time set forth above) on behalf of the Purchasers and the 2018 Buyer by wire transfer of immediately available funds or through transfer of marketable securities that are reasonably acceptable to the Company (valued at their then-fair market value). Notwithstanding the foregoing, in the event of a commutation of the obligations under the P&C Reinsurance Agreements prior to the Reserve Cover End Date as a result of agreement between the Ceding Companies and Fortitude Re (an "Agreed Termination"), Seller's obligations in respect of the Reserve Cover Payment shall immediately terminate in full without payment, and no party shall have any further rights or obligations pursuant to this Section 1.06. In the event of any conflict between Section 1.06(e) and this Section 1.06(f), this Section 1.06(f) shall control.

(g) Within 30 calendar days following the end of each calendar quarter (45 calendar days in the case of December 31) of each year prior to the Reserve Cover End Date (each such quarter end, a "Report Date"), the Company shall deliver to Seller a written statement setting forth in reasonable detail, including all supporting calculations and methodology, the End Date Economic Reserves and the Reserve Cover Payment, if any, calculated as of the Report Date. Annually following delivery of each report calculated as of December 31, the Company shall meet with the Seller and its Representatives and review reserve development on the Covered Business occurring during such calendar year.

(h) For income tax purposes, the parties agree to treat the Reserve Cover Payment as an adjustment to the Carlyle Buyer Purchase Price and the T&D Purchase Price (as applicable), and in respect of 2018 Buyer, as an adjustment to the Purchase Price, as such term is defined in the 2018 Purchase Agreement, followed by a capital contribution by Carlyle Buyer, T&D and 2018 Buyer directly or indirectly to the Company and, in turn, to Fortitude Re, and shall take no tax position inconsistent therewith.

There are no Judgments binding on the Company or any of the Company Subsidiaries or their respective assets or properties as of the date hereof. The Company and the Company Subsidiaries have made all material filings required to be filed with any Insurance Regulator, and true and complete copies of all such material filings made, if any, since February 8, 2018 have been made available to Purchasers. As of the date hereof, no material deficiencies have been asserted by any such Insurance Regulator with respect to such filings that have not been cured or satisfied.

The Company and the Company Subsidiaries are not in default or violation, in any material respect, of any of the Permits, and there is no pending or, to the Knowledge of Seller, threatened Proceeding seeking the revocation, suspension, termination, modification or impairment of any of the Company's or any Company Subsidiaries' Permits.

Section 3.10 Contracts.

(a) Section 3.10(a) of the Seller Disclosure Schedule lists each Contract (other than a Reinsurance Agreement) to which the Company or any Company Subsidiary is a party and under which the Company or any Company Subsidiary has continuing obligations of an amount in excess of \$250,000 as of the date hereof (collectively, the "Business Contracts"). Seller has made available to Purchasers a true and correct copy of each such Business Contract as of the date hereof.

(b) Each Business Contract is in full force and effect and constitutes a valid and binding obligation of each of the Company and each Company Subsidiary party thereto, as applicable, and each of Seller and each Affiliate of Seller party thereto, as applicable, and, to the Knowledge of Seller, each other party thereto, enforceable in accordance with its terms against the Company, such Company Subsidiary, Seller and its Affiliates party thereto, as applicable, and, to the Knowledge of Seller, each other party thereto, in accordance with its terms, except as limited by the Enforceability Exceptions. None of the Company or any Company Subsidiary, or Seller or any of its Affiliates, has received written notice of cancellation or termination of any Business Contract.

Section 3.11 Reinsurance. Section 3.11 of the Seller Disclosure Schedule sets forth a list, as of the date hereof, of all the Reinsurance Agreements. Seller has made available to Purchasers a true and correct copy of each Reinsurance Agreement as of the date hereof. Each of the Reinsurance Agreements is in full force and effect and constitutes a valid and binding obligation of Fortitude Re and each other party thereto, enforceable against Fortitude Re and each other party thereto in accordance with its terms, except as limited by the Enforceability Exceptions. Neither Fortitude Re nor any other party to any Reinsurance Agreement is in default or material breach or has failed to perform any material obligation under any Reinsurance Agreement and, to the Knowledge of Seller, there does not exist any event, condition or omission that would constitute such a default or material breach (whether by lapse of time or notice or both). No party to any Reinsurance Agreement is the subject of a rehabilitation, liquidation, conservatorship, receivership, bankruptcy or similar proceeding. No party to any Reinsurance Agreement has given or received notice of cancellation or termination thereof. Except as set forth on Section 3.11 of the Seller Disclosure Schedules, as of the date hereof, none of the Reinsurance Agreements has been amended or modified in any respect since the date such Reinsurance Agreement was entered into by Fortitude Re. Fortitude Re has not entered into any ceded reinsurance agreements.

Section 3.12 Assets.

(a) Except as set forth on Section 3.12(a) of the Seller Disclosure Schedule, neither the Company nor any Company Subsidiary owns or has owned or leased any real property, except for Investment Assets.

(b) Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, either the Company or a Company Subsidiary has good and valid title to, or has a valid leasehold or licensed interest in, all of the material tangible and intangible assets (other than Investment Assets) that are used or held for use by either the Company or the Company Subsidiaries in connection with the business, activities and operations of the Company or the Company Subsidiaries as conducted as of the date hereof and reflected in the Financial Statements, or acquired by the Company or a Company Subsidiary after the Locked Box Date for use in connection with the business, activities and operations of the Company or Company Subsidiaries (collectively, the "Assets"), in each case free and clear of all Liens other than Permitted Liens, except for any Asset disposed of by the Company or the Company Subsidiaries (i) from the Locked Box Date to the date hereof in the ordinary course of business, or (ii) after the date hereof and not in violation of this Agreement.

Section 3.13 Investment Assets.

(a) Fortitude Re has valid title to all Investment Assets owned by Fortitude Re and held in its general account. The trustee of the Risk Margin Trust Accounts has valid title to all Investment Assets in the Risk Margin Trust Accounts. The applicable Ceding Company has valid title to, or beneficial ownership of, all Investment Assets in its Collateral Account. In each of the foregoing cases, such Investment Assets are held free and clear of all Liens other than Permitted Liens.

(b) Seller has made available to Purchasers a true and correct list of all (i) Investment Assets owned by Fortitude Re and held in its general account, (ii) Investment Assets owned by Fortitude Re and held in the Risk Margin Trust Accounts, and (iii) Investment Assets allocated to the Collateral Accounts, in each case as of the Locked Box Date.

(c) Seller has made available to Purchasers true, complete and correct copies of the Investment Guidelines applicable to Fortitude Re's general account as of the date hereof.

Section 3.14 Intellectual Property. To the Knowledge of Seller, as of the Locked Box Date, the operation of the Business by the Company or Company Subsidiaries has not and does not infringe, misappropriate or otherwise violate in any material respect any Intellectual Property of any third Person, and, to the Knowledge of Seller, no third Person is or has been infringing, misappropriating or otherwise violating in any material respect any Intellectual Property owned by either the Company or any Company Subsidiary.

Section 3.15 Data Security and Privacy. Since their respective dates of formation, the Company and the Company Subsidiaries have been in compliance with any and all applicable Laws, regulatory guidelines, contractual requirements and internal policies applicable to its treatment of any personal information of individuals (including any use, disclosure, storage, protection, security, disclosure, maintenance and disposal of such personal information), except for any such noncompliance that would not reasonably be expected, individually or in the aggregate, to have a Company Material Adverse Effect, and as of the date hereof none of Seller, the Company or any Company Subsidiary have received any written claims, notices or complaints relating to such treatment. For purposes hereof, "personal information" has the same meaning as the terms "personal data," "personal information," or the equivalent under applicable Law, regulatory guidelines, contractual requirements and internal policies, and may include name, street address, telephone number, email address, social security number, driver's license number, passport number or customer or account number. True, correct and complete copies of the items listed in part (a) of Section 3.15 of the Seller Disclosure Schedule have been provided to Purchasers, as in effect as of the date hereof (the "Documents"). The Company and the Company Subsidiaries use a secure information system to implement such Documents, including the procedures set forth in part (b) of Section 3.15 of the Seller Disclosure Schedule.

Section 3.16 Employee Benefits: Employees.

(a) A true and correct list of each material Seller Benefit Plan as of the date hereof is set forth on Section 3.16(a) of the Seller Disclosure Schedules, and each such Seller Benefit Plan for which the Company or any Company Subsidiary has any Liability is separately identified. None of the Seller Benefit Plans as of the date hereof (x) is sponsored by the Company or any Company Subsidiary or (y) except as set forth on Section 3.16(a) of the Seller Disclosure Schedules, is maintained primarily for the benefit of Employees residing outside of the United States (a “Non-U.S. Benefit Plan”).

(b) Each Seller Benefit Plan has been established, maintained, funded, operated and administered in respect of the Employees, the Company and the Company Subsidiaries in compliance with its terms and with applicable Law, including ERISA and the Code, except for such noncompliance as, individually or in the aggregate, has not had and would not reasonably be expected to result in any material Liability to the Company or any Company Subsidiary. Each Seller Benefit Plan that is subject to Section 409A of the Code is in substantial documentary and operational compliance with Section 409A of the Code. Neither Seller nor the Company nor any Company Subsidiary has engaged in a transaction with respect to any Seller Benefit Plan that, assuming the taxable period of such transaction expired as of the date hereof, would reasonably be expected to subject the Company or any Company Subsidiary to a material Tax or penalty imposed by either Section 4975 of the Code or Section 502(i) of ERISA. Each Seller Benefit Plan that is intended to be qualified under Section 401(a) of the Code, and the trust (if any) forming a part thereof, is so qualified and has received a current favorable determination letter from the IRS and, to the Knowledge of the Seller, no event has occurred and no condition exists that would reasonably be expected to adversely affect such favorable determination.

(c) No Liability (i) under Section 412 of the Code, Section 302 of ERISA or Title IV of ERISA or (ii) in respect of any “multiemployer plan” (within the meaning of section 3(37) of ERISA), has been or is reasonably expected to be directly or indirectly incurred (including pursuant to the operation of Section 414 of the Code) by the Company or any Company Subsidiary, with respect to any Seller Benefit Plan or otherwise.

(d) All contributions, premiums, reimbursements or payments in respect of the Employees required to be made under applicable Law or under the terms of any Seller Benefit Plan or related agreement have been timely made in all material respects. Other than routine claims for benefits, there is no material Proceeding in respect of the Employees pending or, to the Knowledge of the Seller, threatened in writing with respect to any Seller Benefit Plan.

(e) Neither the Company nor the Company Subsidiaries have any obligations for post-employment or retiree welfare benefits other than (i) coverage mandated by applicable Law or (ii) death benefits or retirement benefits under any “employee pension benefit plan” (as such term is defined in Section 3(2) of ERISA).

(f) Each Non-U.S. Benefit Plan has been maintained in compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities, except for such noncompliance as, individually or in the aggregate, has not had and would not reasonably be expected to result in any material Liability to the Company or any Company Subsidiary. All contributions required to be made with respect to a Non-U.S. Benefit Plan have been timely made in all materials respects. Neither the Company nor the Company Subsidiaries has incurred any liability in connection with the termination of, or withdrawal from, any Non-U.S. Benefit Plan that has not been satisfied in full. The present value of the accrued benefit liabilities (whether or not vested) under each Non-U.S. Benefit Plan, determined as of the end of the Seller's most recently ended fiscal year on the basis of reasonable actuarial assumptions, did not exceed the current value of the assets of such Non-U.S. Benefit Plan allocable to such benefit liabilities, except as has not had and would not reasonably be expected to result in any material Liability to the Company or any Company Subsidiary.

(g) With respect to the Employees:

(i) The Company and the Company Subsidiaries did not employ any Employees prior to January 1, 2019.

(ii) Seller has caused the Company to provide, or make available to, Purchasers a true and complete list of all Employees as of November 1, 2019, specifying for each such Employee the following information: (i) position; (ii) employment status (full-time or part-time, as applicable); (iii) work location (i.e., city and state, and country); (iv) hire date; (v) classification as exempt or non-exempt under the Fair Labor Standards Act and related state Laws; (vi) annual base compensation; (vii) target incentive compensation for 2019 (commission or bonus, as applicable); and (viii) leave status. (iii) The Company does not currently engage, and has not engaged since January 1, 2019, any independent contractors.

(iv) To the Knowledge of the Seller, there is not currently, nor has there been since January 1, 2019, any pending or threatened (A) strike, slowdown, stoppage, picketing, interruption of work, lockout or any other dispute or controversy with or involving a labor organization or works council or with respect to unionization or collective bargaining; (B) labor-related organizational effort, election activities or request or demand for negotiations, recognition or representation; or (C) grievance, arbitration, administrative hearing, claim of unfair labor practice, or other union-, works-council-, or labor-related Proceeding that, individually or in the aggregate, has had, or would be reasonably expected to result in, any material Liability to the Company or any Company Subsidiary.

(vii) Since January 1, 2019, for Employees located in and outside the United States, the Company and each Company Subsidiary (A) is and has been in compliance with all applicable Laws and orders which relate to employment, equal employment opportunity (including Laws prohibiting employment discrimination, harassment or retaliation), wages, hours, leaves, workers' compensation, worker classification, disability, occupational health and safety, immigration, collective bargaining, secondment, contractors and temporary employees, other employment terms and conditions and plant closings and layoffs (including the Worker Adjustment and Retraining Notification Act of 1988 and comparable state, local or other Laws), except for such noncompliance as, individually or in the aggregate, has not had and would not reasonably be expected to result in any material Liability to the Company or any Company Subsidiary and (B) is not and has not been (individually or collectively in any respect) liable for any arrears of wages, other compensation or benefits or any Taxes or penalties for failure to comply with any of the foregoing, except for such liability as, individually or in the aggregate, has not had and would not reasonably be expected to result in any material Liability to the Company or any Company Subsidiary.

(x) There is no pending or, to the Knowledge of Seller, threatened in writing Proceeding or other claim or investigation against the Company or any Company Subsidiary for actual or possible violation of any Law related to the employment of the Employees, nor, to the Knowledge of the Seller, is there any reasonable basis for any such Action or other claim or investigation, in each case that are reasonably expected to result in damages in excess of \$250,000.

(xi) The consummation of the transactions contemplated by this Agreement will not (either alone or together with any other event) (A) entitle any Employee to severance or any increase in severance, change of control or other similar pay or benefits under, or increase the amount or accelerate the time of payment or vesting or trigger any payment or funding (through a grantor trust or otherwise) of compensation or benefits under, or increase the amount payable pursuant to, any Seller Benefit Plan, (B) result in any forgiveness of indebtedness to any Employee or (C) impose any material restrictions on the right to administer, amend or terminate any Seller Benefit Plan or any Fortitude Benefit Plan.

Except as set forth or described in the Carlyle Fund Subscription Agreements, there are no contingencies or conditions precedent to the obligations of the Carlyle Buyer Investors to provide the Financing or that would permit the Carlyle Buyer Investors to reduce the total amount of the Financing. No Carlyle Buyer Investor has requested to be excused from providing the Financing or indicated to Carlyle Buyer that it may not be able to provide the Financing. Except as set forth in Section 4.02(a) of the Carlyle Buyer Disclosure Schedule and the Carlyle Fund Subscription Agreements, there are no side letters or other agreements, contracts or arrangements to which Carlyle Buyer or any of its Affiliates is a party related to the funding or investing, as applicable, of the full amount of the Financing or the obligations of the Carlyle Buyer Investors in regards to interacting with Governmental Entities in connection with the transactions contemplated hereby. In no event shall the receipt or availability of any funds or financing (including, for the avoidance of doubt, the Financing) by Carlyle Buyer or any of its Affiliates or any other financing or other transactions be a condition to any of Carlyle Buyer's obligations under this Agreement. When funded in accordance with, and subject to, the terms and conditions of the Carlyle Fund Subscription Agreements, the Financing will provide Carlyle Buyer at the Closing with acquisition financing on the Closing Date sufficient to pay the Carlyle Buyer Purchase Price and all related transaction expenses.

(b) Ownership of Carlyle Buyer. Carlyle Buyer has delivered to Seller a true and complete list of the Persons that will own, beneficially and of record, all of the interests in Carlyle Buyer.

(c) Brokers. No broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the purchase and sale of the Carlyle Buyer Purchased Units based upon arrangements made by or on behalf of Carlyle Buyer.

Section 4.03 Representations and Warranties of T&D. T&D hereby represents and warrants to Seller and Carlyle Buyer, as of the date hereof and as of the Closing Date, except to the extent such representations and warranties expressly relate to another date (in which case as of such other date), as follows:

(a) Financial Ability. At the Closing, T&D will have sufficient funds to pay the T&D Purchase Price.

(b) Ownership. T&D Holdings or one of its wholly owned subsidiaries is the owner, beneficially and of record, of, and has good and valid title to, all of the equity interests of T&D.

(c) Brokers. Other than Citigroup Global Markets Inc., whose fees and expenses will be paid solely by T&D or its Affiliates, no broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission in connection with the purchase and sale of the T&D Purchased Units based upon arrangements made by or on behalf of T&D.

Section 4.04 No Additional Representations. Each Purchaser acknowledges and agrees that (a) none of Seller, the Company, the other Purchaser or any other Person has made any representation or warranty, express or implied, as to the Company or the accuracy or completeness of any information regarding the Company furnished or made available to such Purchaser and its Representatives, except as expressly set forth in this Agreement and the other Transaction Agreements and (b) such Purchaser has not relied on any representation or warranty from Seller, the Company, the other Purchaser or any other Person in determining to enter into this Agreement, except as expressly set forth in this Agreement and the other Transaction Agreements. Without limiting the generality of the foregoing, each Purchaser acknowledges that none of Seller, the Company, the other Purchaser or any other Person has made any representation or warranty, express or implied, as to the financial projections, forecasts, cost estimates and other predictions relating to the Company delivered or made available to such Purchaser or as to the probable success or profitability of the Company. Each Purchaser (i) has made its own inquiry and investigation into, and, based thereon, has formed an independent judgment concerning, the Company and its business and (ii) has been furnished with or given adequate access to such information about the Company and its business as it has requested. Carlyle Buyer acknowledges that it is not relying on any representation, warranty or covenant provided by any party to this Agreement in connection with the acceptance by Carlyle Buyer of 2018 Buyer's Units in exchange for interests in Carlyle Buyer, and Carlyle Buyer will not have any claim against any party pursuant this Agreement in connection with such contribution and exchange between Carlyle Buyer and 2018 Buyer.

Section 4.05 Representations of Carlyle Holdings. Carlyle Holdings hereby represents and warrants to Seller as follows:

(a) Organization. Carlyle Holdings is duly organized, validly existing and in good standing under the Laws of Delaware and has all requisite power and authority necessary to carry on its business as it is now being conducted and to own, lease and operate its assets and properties in all material respects.

(b) Corporate Authorization and No Contravention. Carlyle Holdings has all requisite power and authority necessary to execute and deliver this Agreement and to perform its obligations hereunder. The execution and delivery of this Agreement and the performance of the obligations set forth herein have been duly and validly authorized by the general partner of Carlyle Holdings and no other proceedings on the part of Carlyle Holdings are necessary to authorize this Agreement or the performance of Carlyle Holdings of its obligations hereunder, and such execution, delivery and performance do not contravene or constitute a default under (i) any applicable Law, rule or regulation, (ii) its organizational documents or (iii) any material agreement, material Contract, order or other material instrument to which it is a party or its property is subject, except where such contravention or default would not have a material adverse effect on the financial condition, business or operations of Carlyle Holdings, taken as a whole.

(c) No Consent Required. No approval or authorization by, or filing with, any Governmental Entity is required to be obtained or made by Carlyle Holdings in connection with the execution, delivery and performance by Carlyle Holdings of its obligations set forth in this Agreement.

(d) Sufficient Funds. Carlyle Holdings has available, and will continue to have available through and at such time that the Carlyle Buyer Termination Fee becomes payable pursuant to Section 7.02(c), unencumbered cash or cash equivalents, lines of credit or other sources of immediately available funds that are sufficient to permit Carlyle Holdings to pay the Carlyle Buyer Termination Fee contemplated by Section 7.02(c). The obligations of Carlyle Holdings hereunder are not subject to any condition regarding Carlyle Holdings' ability to obtain financing for the payment of the Carlyle Buyer Termination Fee. There is no Law or obligation (contractual or otherwise) in effect which would prevent or restrict, delay or otherwise limit (or would have the effect of preventing, restricting, delaying or otherwise limiting) Carlyle Holdings' ability to pay the Carlyle Buyer Termination Fee as contemplated by Section 7.02(c).

ARTICLE V

(viii) make any material change in the reserving or financial accounting policies, practices or principles of the Company or any Company Subsidiary, as applicable, in effect on the date hereof, other than changes in the ordinary course of business, any change required by GAAP or Bermuda SAP or any changes that apply generally to similarly situated Subsidiaries of the Seller; or

(c) except as expressly contemplated under this Agreement, Seller shall not, and Seller shall cause its applicable Affiliates not to:

(i) transfer, issue, sell, pledge, encumber or dispose of, or authorize, agree to or promise the transfer, issuance, sale, pledge, encumbrance or disposition of, any Units or other securities of the Company or any Company Subsidiary or grant options, warrants, calls or other rights to purchase or otherwise acquire any Units or other securities of the Company or any Company Subsidiary, or any awards or similar instruments or rights measured by the value of any membership equity, profits or other limited liability company interests or equity interests of the Company or any Company Subsidiary;

(e) The Company shall, and shall cause the Company Subsidiaries to, make available to each Purchaser all documents and materials distributed during any meeting of the board of directors (or similar governing body) of the Company or any Company Subsidiary or any of its committees, and copies of any meeting minutes or written consents of such board (or similar governing body) or any of its committees; provided, however, that with respect to any matters, should there be a reasonable concern regarding the protection of applicable legal privileges (such as those governing attorney-client communications) or similar protections, such Purchaser shall not be entitled to receive meeting materials or written consents related to such matters.

(f) Any approvals by (i) 2018 Buyer or (ii) the Managers appointed by 2018 Buyer, pursuant to the terms of the Operating Agreement shall be deemed the consent of Carlyle Buyer for purposes of this Section 5.01.

Section 5.02 Access to Information: Books and Records.

(a) From the date of this Agreement until the Closing Date, Seller shall, and shall cause the Company and the Company Subsidiaries to, maintain the Books and Records in all material respects in the same manner and with the same care that the Books and Records have been maintained prior to the execution of this Agreement. From the date of this Agreement until the Closing Date, the Seller shall cause the Company to give each Purchaser and its authorized Representatives, upon reasonable advance written notice and during regular business hours, reasonable access to the Books and Records; provided that any such access shall be conducted at such Purchaser's expense, in accordance with applicable Law (including any applicable Law relating to antitrust, competition, employment or privacy issues), and in such a manner as to maintain confidentiality and not to unreasonably interfere with the normal operations of the Company.

(b) Notwithstanding Section 5.02(a), during the period prior to the Closing, the Company shall have no obligation under this Agreement to make available to any Purchaser or its Representatives, or to provide any Purchaser or its Representatives with access to or copies of (i) any personnel file, medical file or related records of any employee of Seller or its Affiliates (including the Company), (ii) any Tax Return filed by Seller or any of its Affiliates (other than the Company) or predecessors, or any related material (except solely for Tax records of, or solely with respect to, Fortitude Re, including pro forma copies of Tax Returns prepared solely with respect to Fortitude Re) or (iii) any other information if Seller determines, in its reasonable judgment, that making such information available would (A) jeopardize any attorney-client privilege, the work product immunity or any other legal privilege or similar doctrine or (B) contravene any applicable Law, Judgment or any fiduciary duty, it being understood that with respect to the items described in the preceding clauses (i) through (iii), Seller and the Company shall (x) cooperate with any requests for, and use its reasonable best efforts to obtain any, waivers and (y) use its reasonable best efforts to make other arrangements (including redacting information or entering into joint defense agreements), in each case, that would enable any otherwise required disclosure to a Purchaser to occur without so jeopardizing any such privilege or immunity or contravening such applicable Law, Judgment or fiduciary duty.

(c) Except as contemplated by the Separation Plan, as agreed to by the Carve-out Committee or as provided in accordance with another Transaction Agreement, (i) at the Closing, Seller shall cause all Books and Records in the possession of Seller or any of its Affiliates (other than the Company) to be delivered to the Company or in the alternative to one or more of the Company Subsidiaries (as may be directed by the Company) and (ii) as promptly as practicable following the Closing, Seller shall use reasonable best efforts to cause any Books and Records in the control (but not possession at Closing) of Seller or any of its Affiliates (other than the Company) to be delivered to the Company or in the alternative to one or more of the Company Subsidiaries (as may be directed by the Company). Notwithstanding the foregoing, Seller and its Affiliates shall not be required to transfer any Books and Records that are not permitted to be disclosed or transferred under applicable Law until such time as such Books and Records are permitted to be transferred (at which time, without further request, such Books and Records shall be transferred to the Company, or if the Company so directs, to one or more Company Subsidiaries). In addition to the provisions of the Amended and Restated Operating Agreement, from and after the Closing Date, subject to Section 5.02(f), upon reasonable advance written notice and during regular business hours, in connection with any reasonable business purpose, Seller shall, and shall cause its Affiliates to, (i) provide the Company and the Company Subsidiaries and their Representatives reasonable access to such retained Books and Records and (ii) make available to the Company and the Company Subsidiaries and their Representatives the employees of Seller and its Affiliates whose assistance, expertise, testimony, notes and recollections or presence is necessary to assist the Company, the Company Subsidiaries or their Representatives in connection with the Company's, the Company Subsidiaries' or such Representatives' inquiries for any such reasonable business purposes, including the presence of such persons as witnesses in hearings or trials for such purposes, except in connection with any litigation or dispute between Seller or its Affiliates, on the one hand, and any Purchaser, the Company, the Company Subsidiaries or their Affiliates, on the other hand; provided, however, that such access shall not unreasonably interfere with the business or operations of Seller or its Affiliates.

(d) In addition to the provisions of (i) Section 5.02(e) and (ii) the Amended and Restated Operating Agreement, from and after the Closing Date, in connection with any reasonable business purpose, including (x) in response to the request or at the direction of a Governmental Entity, (y) the preparation of financial statements, Tax Returns or other documents related to Tax matters or (z) the determination of any matter relating to the rights or obligations of Seller and its Affiliates under this Agreement or any of the other Transaction Agreements (including any claim for indemnity made under or pursuant to this Agreement), subject to Section 5.02(f), upon reasonable advance written notice and during regular business hours, the Company shall, and shall cause the Company Subsidiaries to, (i) give Seller and its Affiliates and Representatives reasonable access to the Books and Records in existence as of the Closing Date (including, for the avoidance of doubt, Tax Returns and other information and documents relating to Tax matters), (ii) furnish to the Seller and its Affiliates and Representatives such additional financial data and other information regarding the Company and the Company Subsidiaries and the businesses conducted by them prior to the Closing Date as Seller and its Affiliates or Representatives may from time to time reasonably request (including, for the avoidance of doubt, Tax Returns and other information and documents relating to Tax matters) and (iii) make available to Seller, its Affiliates and Representatives the employees of the Company and the Company Subsidiaries whose assistance, expertise, testimony, notes and recollections or presence is necessary to assist Seller or its Affiliates or Representatives in connection with Seller's, such Affiliates' or such Representatives' inquiries for any of the purposes referred to in this Section 5.02(d) above, including the presence of such persons as witnesses in hearings or trials for such purposes, except in connection with any litigation or dispute between Seller or its Affiliates, on the one hand, and the Company or the Company Subsidiaries or their Affiliates, on the other hand; provided, however, that such access shall not unreasonably interfere with the business or operations of the Company or the Company Subsidiaries. Seller shall reimburse the Company promptly for any reasonable out-of-pocket expenses incurred by the Company and the Company Subsidiaries in complying with any request by or on behalf of Seller or its Affiliates or Representatives in connection with this Section 5.02(d).

(e) Notwithstanding the provisions of Section 5.02(c), Seller and its Affiliates shall have the right to retain copies of all Books and Records (including, for the avoidance of doubt, Tax Returns and other information and documents relating to Tax matters) of the Company and each of the Company Subsidiaries and their respective businesses relating to periods ending on or prior to the Closing Date (i) relating to information (including employment and medical records) regarding the Employees, (ii) as required by any legal or regulatory authority, including any applicable Law or regulatory request or (iii) as may be necessary for Seller and its Affiliates to perform their respective obligations pursuant to this Agreement, the Transaction Agreements or any other agreement between Seller and its Affiliates, on the one hand, and the Company or any of the Company Subsidiaries, on the other hand, that will remain in effect after the Closing, in each case subject to compliance with all applicable privacy Laws; provided, that such retained copies shall only be used by Seller and its Affiliates for any reasonable business purpose, including (x) in response to the request or at the direction of a Governmental Entity, (y) the preparation of financial statements, Tax Returns or other documents related to Tax matters or (z) the determination of any matter relating to the rights or obligations of Seller and its Affiliates under this Agreement or any of the other Transaction Agreements (including any claim for indemnity made under or pursuant to this Agreement). Following the Closing, each party shall, with respect to all Books and Records to which another party is entitled to access hereunder, (A) comply in all material respects with all applicable Laws, including the Code, relating to the preservation and retention of records, (B) apply preservation and retention policies that are no less stringent than those generally applied by Seller as of the date hereof and (C) for at least six (6) years after the Closing Date or until notice is received from Seller of the expiration of the applicable statute of limitations for Tax purposes, whichever is later, preserve and retain all Books and Records and thereafter dispose of the Books and Records only after it shall have given the party entitled to access such Books and Records hereunder ninety (90) days' prior written notice of such disposition and the opportunity (at the removing party's expense) to remove and retain such information. Notwithstanding anything in this Agreement to the contrary, Seller shall not be required to provide Purchasers, any of their Affiliates nor, following the Closing, the Company or Company Subsidiaries with any consolidated, combined or unitary Tax Returns of Seller or its Affiliates.

(f) Notwithstanding any other provision of this Agreement, a party hereto shall not be obligated to provide access to any Books and Records or information to the extent that such party determines, in its reasonable judgment, that doing so would violate Law or a Contract of confidentiality owing by such party or its Subsidiaries to a third party or jeopardize the protection of an attorney-client privilege of such party or its Subsidiaries; provided that the party contemplated to provide access shall use reasonable best efforts to obtain waivers or make other arrangements (including redacting information or entering into joint defense agreements) that would enable otherwise required disclosure to the other party or its Representatives to occur without so jeopardizing privilege or contravening such Law, Contract or obligation of confidentiality. The auditors and independent accountants of a party or its Affiliates shall not be obligated to make any work papers available to any Person unless and until such Person has signed a customary confidentiality and hold harmless agreement relating to such access to work papers in form and substance reasonably acceptable to such auditors or independent accountants.

(g) Notwithstanding anything to the contrary contained herein or any other Transaction Agreement, to the extent that Seller or any of its Affiliates has retained books, records, files, tapes, software, data, documents, hardware, storage devices or other information, materials or equipment that are not used in the operation of the business of the Company or any of the Company Subsidiaries or required by the Company or any of the Company Subsidiaries for regulatory purposes ("Archived Files") pursuant to a litigation hold or otherwise, each Purchaser acknowledges and agrees that the Archived Files are solely the property of Seller and may be used by Seller in connection with any reasonable business purpose, including (x) in response to the request or at the direction of a Governmental Entity, (y) the preparation of financial statements, Tax Returns or other documents related to Tax matters or (z) the determination of any matter relating to the rights or obligations of Seller and its Affiliates under this Agreement or any of the other Transaction Agreements (including any claim for indemnity made under or pursuant to this Agreement). Seller agrees to hold all Archived Files in accordance with applicable Law, rules, regulations and Seller's internal document retention, compliance and business continuity policies and procedures.

(h) The parties hereto agree that, notwithstanding anything in the Confidentiality Agreement to the contrary, the terms of the Confidentiality Agreement applicable to each of them are incorporated into this Agreement by reference and shall continue in full force and effect until the Closing (and all information exchanged pursuant to Section 5.02(a) shall be subject to the Confidentiality Agreement), at which time the Confidentiality Agreement shall terminate; provided that the remedies of the parties under the Confidentiality Agreement shall survive the termination thereof with respect to any breach arising prior to such termination. If for any reason, the transactions contemplated by this Agreement are not consummated, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms. From and after the Closing, the parties hereto agree to be bound by the confidentiality provisions applicable to Members, as set forth in the Amended and Restated Operating Agreement.

(i) From the date hereof through the Closing Date, Seller shall make available to Purchasers when available to the Board (i) complete copies of (A) the unaudited consolidated balance sheet of the Company and the Company Subsidiaries as of the end of each calendar quarter and (B) the related unaudited consolidated statement of income (loss) of the Company and the Company Subsidiaries for such calendar quarter (the “Future Company Consolidated Quarterly Financial Statements”), and (ii) complete copies of (A) the unaudited consolidated balance sheet of the Company and the Company Subsidiaries as of the end of each calendar year and (B) the related unaudited consolidated statement of income (loss) of the Company and the Company Subsidiaries for such calendar year (the “Future Company Consolidated Annual Financial Statements”, and together with the Future Company Consolidated Quarterly Financial Statements, the “Future Company Consolidated Financial Statements”).

(j) From the date hereof through the Closing Date, Seller shall make available to Purchasers when available to the Board (i) complete copies of (A) the unaudited balance sheet of Fortitude Re as of the end of each calendar quarter and (B) the related statement of income (loss) of Fortitude Re for such calendar quarter (the “Future Fortitude Re Quarterly Financial Statements”), and (ii) complete copies of (A) the unaudited balance sheet of the Fortitude Re as of the end of each calendar year and (B) the related statements of income (loss), comprehensive income (loss), shareholders’ equity and cash flows of Fortitude Re for such calendar year (the “Future Fortitude Re Annual Financial Statements”, and together with the Future Fortitude Re Quarterly Financial Statements, the “Future Fortitude Re Financial Statements”).

Section 5.03 Reasonable Best Efforts.

(a) Subject to the terms and conditions of this Agreement, the parties hereto shall, and shall cause their respective Affiliates and equity investors to, use their reasonable best efforts to (i) take, or cause to be taken, all actions reasonably necessary, proper or advisable to comply promptly with all legal and regulatory requirements which may be imposed on such party with respect to the consummation of the Acquisition and the other transactions contemplated by the Transaction Agreements and, subject to the conditions set forth in ARTICLE VI, to consummate the Acquisition, (ii) obtain (and to cooperate with each other party hereto to obtain) as promptly as practicable all consents of, any exemption by, or any waiver from, all Governmental Entities and any consent of, or waiver from, any third party that may be or become reasonably necessary for the execution and delivery of, and the performance of the obligations pursuant to, the Transaction Agreements and the consummation of the Acquisition and the other transactions contemplated by the Transaction Agreements (including payment of the Target Distribution Amount to the Company prior to the Closing) and (iii) take all other steps necessary or appropriate to ensure that the conditions precedent to such party’s obligation to consummate the Closing set forth in ARTICLE VI are satisfied not later than the Outside Date. The parties shall cooperate with the reasonable requests of each other in promptly seeking to obtain all such consents. For the avoidance of doubt, the actions required by the first and second sentences of this Section 5.03(a) shall include amending, modifying or supplementing this Agreement or any other Transaction Agreement, to the extent consistent with an obligation under the common law of the State of New York to use reasonable best efforts. The actions required by the first and second sentences of this Section 5.03(a) shall not include the acceptance by Purchaser or Seller or any of their respective Affiliates (other than the Company) of any requirement to make a contribution of capital to or provide a capital maintenance arrangement for the benefit of the Company or any Company Subsidiary or any item set forth on Section 5.03(a) of the Seller Disclosure Schedule. With respect to the obtaining and making of the consents and notifications referred to in clause (i) of the first sentence of Section 5.03(b), Purchasers shall not be required to take any of the actions required by the first and second sentences of this Section 5.03(a) until Seller informs them of the actions that are so required, based on Seller’s interactions with the relevant Governmental Entities (the “U.S. Required Approval Assistance”). None of the parties shall take any action that would reasonably be expected to have the effect of delaying, impairing or impeding the receipt of any consents or waiver that may become reasonably necessary for the execution and delivery of this Agreement, and the performance of the obligations pursuant hereto, and the consummation of the Acquisition.

(b) Without limiting Section 5.03(a), the parties hereto shall promptly make, and cause their respective Affiliates and equity investors to make, all filings and notifications with all Governmental Entities that may be or may become reasonably necessary, proper or advisable under the Transaction Agreements and applicable Laws to consummate and make effective the transactions contemplated by the Transaction Agreements, including (i) Seller (x) causing “Form D” or similar transaction notifications to be filed with the states set forth in Section 5.03(b) of the Seller Disclosure Schedule with respect to the transactions contemplated by the Transaction Agreements and (y) providing the prior notifications set forth in Section 5.03(b) of the Seller Disclosure Schedule, (ii) Seller causing the Company to file, and the Purchaser filing, the appropriate notifications with the Bermuda Monetary Authority with respect to the transactions contemplated by the Transaction Agreements, which to the extent practicable shall be filed jointly, (iii) Seller and the applicable Purchaser each making an appropriate filing of a notification and report form if required pursuant to the HSR Act (which filing, including the exhibits thereto, need not be shared or otherwise disclosed to the other party) with respect to the transactions contemplated by the Transaction Agreements and (iv) Seller and the Purchaser each making any other filing that may be required under any antitrust or competition Law or by any Governmental Entity with jurisdiction over enforcement of any applicable antitrust or competition Laws. Each party shall supply promptly, and shall cause their respective Affiliates and equity investors to supply promptly, any additional information and documentary material that may be requested pursuant to applicable Laws. The parties shall have responsibility for their respective filing fees associated with any required filings or notifications. With respect to the obtaining and making of the consents and notifications referred to in the first sentence of this Section 5.03(b), each party agrees that it shall not make any agreement with any applicable Governmental Entity that would require either of the other parties to take or refrain from taking or agree to take, or for either of the other parties’ respective Affiliates to take or refrain from taking or agree to take, any action or permit or suffer to exist any restriction, condition, limitation or requirement in connection with the transactions contemplated by the Transaction Agreements without first consulting such other party.

(c) Except as may be prohibited by Law or any Governmental Entity, each of Seller, on one hand, and each Purchaser, on the other hand, shall (i) promptly notify the others of any material communication it or its Affiliates receives from the Bermuda Monetary Authority and, in the case of any U.S. Required Approval Assistance, any other relevant Governmental Entity, in each case, the principal purpose of which relates to the review and requested approval of the transactions contemplated hereby (including dividends or distributions from Fortitude Re), and shall, and shall cause its applicable Affiliates (including the Company and Fortitude Re, as applicable) to, deliver to the other party copies of any material correspondence received by such party or its Affiliates from the Bermuda Monetary Authority and, in the case of any U.S. Required Approval Assistance, any other relevant Governmental Entity the principal purpose of which relates to the review and requested approval of the transactions contemplated hereby (including dividends or distributions from Fortitude Re); provided, that Seller may redact any portion thereof that is not directly or indirectly related thereto, (ii) notify the other parties of its intention to submit or transmit any proposed written communication with the Bermuda Monetary Authority and, in the case of any U.S. Required Approval Assistance, any other relevant Governmental Entity in connection therewith at least five (5) Business Days prior to its anticipated submission or transmission date, and (iii) permit the other parties at their request to review in advance such proposed communication; provided that no party shall be required to disclose to another any of its or its Affiliates' confidential competitive information or any personally identifiable information of their respective officers, directors or other applicable individuals. Each party shall coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other parties may reasonably request in connection with the foregoing; provided that no party shall be required to disclose to any other any of its or its Affiliates' confidential competitive information or any personally identifiable information of their respective officers, directors or other applicable individuals.

(d) In the event that a Governmental Entity requires the Purchasers or the Seller or any of their respective Affiliates (other than the Company) to make a contribution of capital to or provide a capital maintenance arrangement for the benefit of the Company or any Company Subsidiary or any item set forth on Section 5.03(a) of the Seller Disclosure Schedule, Seller and the Purchasers shall cooperate in good faith to develop a reasonably designed process under which each of Seller and the Purchasers shall promptly (A) provide information (subject to the other terms and conditions of this Agreement relating to cooperation and sharing of information) reasonably requested by the other to enable the requesting party to analyze the causes and potential implications of such requirement and (B) meet in order to (x) exchange and review their respective views as to such requirement, (y) discuss potential approaches that would avoid such requirement, and (z) negotiate in good faith to attempt to agree to modify the terms of this Agreement and the other Transaction Agreements, on mutually acceptable terms and on an equitable basis to Seller and Purchasers, in a way that would substantially eliminate any such requirement.

(e) Without limiting its obligations under the 2018 Purchase Agreement, notwithstanding the foregoing provisions of this Section 5.03, Seller may, after reasonable prior notice to and consultation with the Purchasers, in its sole discretion, withhold or delay any filing with, or notification to, any Governmental Entities in respect of the Administrative Services Agreements and TPA Agreements.

(f) Prior to the consummation of the TPA Transfer (as defined in the 2018 Purchase Agreement), the parties shall and shall cause their respective Affiliates and equity investors to, use their reasonable best efforts to obtain the CFIUS Approval. In furtherance of and, without limiting the foregoing: (1) the parties shall, and shall cause their respective Affiliates and equity investors to, use their respective reasonable best efforts to: (i) as soon as practicable following the Carve-out Committee's determination to make a regulatory filing with respect to the TPA Transfer pursuant to Section 5.05(f) of the 2018 Purchase Agreement, provide necessary information, support, and assistance with respect to the filing of a draft joint voluntary notice ("Notice") by the Company and Seller with CFIUS contemplated under 31 C.F.R. § 800.401(f) with respect to the TPA Transfer and the Company's and Seller's engagement in the pre-Notice consultation process with CFIUS, (ii) following such pre-Notice consultation, as promptly as practicable after CFIUS notification that the draft Notice is complete, provide necessary information, support, and assistance in the filing with CFIUS of a joint Notice by the Company and Seller as contemplated by 31 C.F.R. § 800.401(a), (iii) promptly and, in all events, consistent with any deadline imposed by CFIUS or other applicable Laws, comply with any reasonable request received from any Governmental Entity for any certification, additional information, documents or other materials in respect of the joint Notice or the TPA Transfer and (iv) ensure that any information furnished by any party or any of their Affiliates or equity investors in respect of this Section 5.03(f) is true, complete and correct in all material respects; and (2) the parties shall, and shall cause their respective Affiliates and equity investors to, use reasonable best efforts to (i) cooperate with each other in connection with the joint Notice filed by the Company and Seller and any such furnishing of information and in connection with resolving any investigation or other inquiry of any Governmental Entity pursuant to the CFIUS Authorities with respect to any such Notice or furnishing of information and (ii) take all mitigation steps requested by CFIUS, or proposed by the parties and accepted by CFIUS, as a condition of obtaining CFIUS Approval; provided, that, in the event CFIUS seeks to impose any mitigation obligations on any party that would reduce or adversely affect such party's governance or access and information rights, the parties hereto shall confer and consult and use their reasonable best efforts to develop and implement alternative governance arrangements and structures that would provide such party with substantially equivalent rights to the extent practicable. For the sake of clarity, the parties agree that no TPA Transfer shall occur without CFIUS Approval.

Section 5.04 Publicity. No public release or announcement concerning the Acquisition or the other transactions contemplated by the Transaction Agreements shall be issued by any party without the prior written consent of the other parties (which consent shall not be unreasonably withheld, conditioned or delayed), except such release or announcement as may be required by Law or any Governmental Entity, in which case the party required to make the release or announcement shall allow the other parties reasonable time to comment on such release or announcement in advance of such issuance; provided, however, that each party may make internal announcements to their respective employees that are consistent with the parties' prior public disclosures regarding the Acquisition and the other transactions contemplated by the Transaction Agreements after reasonable prior notice to and consultation with the other.

Section 5.05 Further Assurances. From time to time, as and when requested by any party, each party shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions, as such other party may reasonably deem necessary or desirable to consummate the Acquisition, including executing and delivering to each Purchaser such assignments, deeds, bills of sales, consents and other instruments as such Purchaser or its counsel may reasonably request as necessary or desirable for such purpose.

Section 5.06 Transaction Agreements.

(a) From the date hereof until the respective execution and delivery thereof, the parties shall negotiate in good faith and use reasonable best efforts to prepare, supplement and finalize those Transaction Agreements and any Exhibits or Schedules to the Transaction Agreements (other than the Carlyle Buyer Disclosure Schedule, T&D Disclosure Schedule and Seller Disclosure Schedule) that the parties agree (as set forth in the respective forms made available to the Purchasers) have not been finalized as of the execution and delivery of this Agreement. The finalized Exhibits or Schedules to the Transaction Agreements shall be attached to the applicable forms of Transaction Agreements and shall be incorporated in the Transaction Agreements executed and delivered by the applicable parties.

(b) From the date hereof until the Closing, the parties shall negotiate in good faith and use reasonable best efforts to prepare a final form of amendment to the retrocession agreement with respect to ALBA that is reasonably acceptable to the applicable parties (the "Retrocession Amendment"), consistent with the term sheet for the Retrocession Amendment made available to the Purchasers and other customary terms for agreements of a similar nature. Once agreed and finalized, the Retrocession Amendment shall replace the corresponding term sheet made available to the Purchasers.

(c) From the date hereof until the Closing, the parties shall negotiate in good faith and use reasonable best efforts to prepare a final form of amendment to the Modco Agreements that is reasonably acceptable to the applicable parties (the "Recapture Amendments"), consistent with the term sheet for the Recapture Amendments made available to the Purchasers and other customary terms for agreements of a similar nature. Once agreed and finalized, the Recapture Amendments shall replace the corresponding term sheet made available to the Purchasers.

(d) From the date hereof until the Closing, T&D shall be given the opportunity to review and comment on any changes to the forms of Transaction Agreements that are proposed to be made during the period between the date hereof until the Closing, other than any changes that are made pursuant to Section 5.03(a).

(a) Seller shall make a timely and valid election pursuant to Treasury Regulation § 1.1502-36(d)(6)(i)(A) to reduce the basis of the stock of the Company and its Subsidiaries to the extent necessary to prevent any attribute reduction pursuant to Treasury Regulation § 1.1502-36(d)(6) in respect of the Company or Fortitude Re.

(b) Carlyle Buyer shall be liable for and pay 33%, T&D shall be liable for and pay 17% and Seller shall be liable for and pay 50% of any real property transfer Tax, sales Tax, use Tax, stamp Tax, stock transfer Tax or other similar Tax imposed on the transactions contemplated by this Agreement or the other Transaction Agreements.

(c) If Fortitude Re has not received confirmation prior to the Closing that the election described in Section 953(d) of the Code has been approved by the IRS, the Purchasers shall use reasonable best efforts to obtain such confirmation, including, without limitation, by causing Fortitude Re to post a letter of credit with the IRS necessary to obtain such confirmation. From and after the date that the Company receives such confirmation, it shall not revoke such Section 953(d) election without the prior written consent of Seller.

Section 5.08 Distribution. Prior to Closing, Seller shall cause the Company to, and the Company shall, use its reasonable best efforts to make a cash distribution to Seller in an aggregate amount equal to the Target Distribution Amount in accordance with the terms of the Operating Agreement. The use of such reasonable best efforts shall include holding such meetings and making such filings with the Bermuda Monetary Authority as may be reasonably necessary to seek to cause such distribution to be made prior to or on the Closing Date. For the avoidance of doubt, all distributions made to Seller pursuant to this Section 5.08 shall be deemed to be Permitted Leakage.

Section 5.09 Insurance.

(a) From and after the Closing Date, the Company and the Company Subsidiaries shall cease to be insured by Seller's or its Affiliates' (other than the Company's and the Company Subsidiaries') (as the case may be) blanket insurance policies or by any of their self-insured programs in place to the extent such insurance policies or programs cover the Company or any of the Company Subsidiaries. At or prior to the Closing, Seller may cause the Company and the Company Subsidiaries to pay the amounts set forth in Section 5.09(a) of the Seller Disclosure Schedules to Seller or the Affiliates of Seller as directed by Seller.

(b) With respect to events or circumstances relating to the Company or the Company Subsidiaries that occurred or existed prior to the Closing Date that are covered by (i) occurrence-based third-party liability insurance policies of Seller or its Affiliates (other than the Company and the Company Subsidiaries), (ii) any workers' compensation insurance policies or comparable workers' compensation self-insurance programs sponsored by Seller or its Affiliates and that apply to the locations at which the Company and the Company Subsidiaries operate their respective businesses and (iii) claims made-based liability policies of Seller or its Affiliates, the Company and the Company Subsidiaries may make claims under such policies and programs; provided, however, that by making any such claims, the Company agrees to reimburse Seller for the applicable retention or deductible and any increased costs incurred by Seller or its Affiliates as a direct result of such claims, including any retroactive or prospective premium adjustments resulting from such claims, as such amounts are determined in accordance with those policies and programs generally applicable from time to time to Seller or its Affiliates; and provided, further, that the Company and the Company Subsidiaries shall not make any such claims if, and to the extent that, such claims are covered by insurance policies arranged by Purchasers or their Affiliates. As of the second anniversary of the date hereof, the Company shall no longer have access to (i) such occurrence-based third-party liability insurance policies of Seller or its Affiliates or (ii) such workers' compensation insurance policies or comparable workers' compensation self-insurance programs that apply to the locations at which the Company and the Company Subsidiaries operate their respective businesses, and as of the end of the current policy terms of claims made-based liability policies of Seller or its Affiliates, the Company shall no longer have access to such insurance policies, and the Company shall assume full responsibility for, and release Seller and its Affiliates from, all liability for claims, known or unknown, resulting from occurrences prior to the Closing Date. Any claim recovery proceeds received by Seller or any of its Affiliates from its insurers after the Closing for third-party claims under occurrence-based third-party liability insurance policies, workers' compensation insurance policies or claims made-based liability policies with respect to Losses occurring after the Locked Box Date and prior to the Closing Date in respect of the Company or the Company Subsidiaries shall be paid to the Company, net of the amounts described in the first proviso to the first sentence above.

Section 5.11 Intercompany Obligations and Arrangements.

(a) Seller shall, and shall cause its Affiliates to, take such action and make such payments as may be necessary so that concurrently with the Closing, the Company and the Company Subsidiaries, on the one hand, and Seller and its Affiliates (other than the Company and the Company Subsidiaries), on the other hand, shall settle, discharge, offset, pay, repay in full, terminate, commute or extinguish all intercompany loans, notes and advances regardless of their maturity, including the repayment of the principal and interest on, and the termination of, the Loan Agreements, and all intercompany receivables and payables, including any accrued and unpaid interest to but excluding the date of payment, for the amount due; provided, however, that this Section 5.11(a) shall not apply to any intercompany loans, notes, advances, receivables or payables (i) set forth in Section 5.11(a) of the Seller Disclosure Schedule, (ii) arising under any Intercompany Agreement set forth in Section 5.11(b) of the Seller Disclosure Schedule or (iii) arising under any Transaction Agreement. To the extent that the amount of any such outstanding intercompany loan, note, advance, receivable or payable cannot be determined by Seller or the Company or any of the Company Subsidiaries or any of their respective Affiliates concurrently with the Closing, such intercompany loan, note, advance, receivable or payable shall be paid in full by Seller, the Company or any of the Company Subsidiaries (as applicable) following the Closing within ten (10) days of the amount due with respect to such intercompany loan, note, advance, receivable or payable being mutually agreed by Seller and the Company.

(b) Seller and the Company shall, and shall cause their respective Affiliates to, take such actions as may be necessary to terminate or commute, concurrently with the Closing, all Intercompany Agreements; provided, however, that this Section 5.11(b) shall not apply to (i) any Intercompany Agreement set forth in Section 5.11(b) of the Seller Disclosure Schedule or (ii) any Transaction Agreement.

Section 5.12 Mutual Release.

(a) Effective as of the Closing and subject to the following sentence, Seller, for itself and on behalf of its Subsidiaries and its and their successors, heirs and executors (each, a “Seller Releasor”), hereby irrevocably, knowingly and voluntarily releases, discharges and forever waives and relinquishes all claims, demands, obligations, liabilities, defenses, affirmative defenses, setoffs, counterclaims, actions and causes of action of whatever kind or nature, whether known or unknown, which any Seller Releasor has, may have or might have or may assert now or in the future, against the Company and the Company Subsidiaries and their respective successors, assigns, heirs, executors, officers, directors, partners and employees (in each case in their capacity as such) (each, a “Company Releasee”), arising out of, based upon or resulting from any Contract, transaction, event, circumstance, action, failure to act or occurrence of any sort or type, whether known or unknown, and which occurred, existed, was taken, permitted or begun prior to the Closing Date; provided, however, that nothing contained in this Section 5.12(a) shall release, discharge, waive or otherwise affect the rights or obligations of any party to the extent related to or arising out of any Contracts or any other claims, demands, obligations, liabilities, defenses, affirmative defenses, setoffs, counterclaims, actions and causes of action of whatever kind or nature as set forth in Section 5.12(a) of the Seller Disclosure Schedule. The foregoing release shall not apply to any claim arising under the terms of any Transaction Agreement (including indemnification claims) or any claim alleging fraud or intentional misconduct. Seller shall, and shall cause each Seller Releasor to, refrain from, directly or indirectly, asserting any claim or demand or commencing, instituting or causing to be commenced, any legal proceeding of any kind against any Company Releasee based upon any matter released pursuant to this Section 5.12(a). The parties hereto hereby acknowledge and agree that the execution of this Agreement shall not constitute an acknowledgment of or an admission by any Seller Releasor or Company Releasee of the existence of any such claims or of liability for any matter or precedent upon which any liability may be asserted.

(b) Effective as of the Closing and subject to the following sentence, the Company, for itself and on behalf of the Company Subsidiaries, and its and their successors, heirs and executors (each, a “Company Releasor”), hereby irrevocably, knowingly and voluntarily releases, discharges and forever waives and relinquishes all claims, demands, obligations, liabilities, defenses, affirmative defenses, setoffs, counterclaims, actions and causes of action of whatever kind or nature, whether known or unknown, which any Company Releasor has, may have or might have or may assert now or in the future, against any of the Seller and its Affiliates and their respective successors, assigns, heirs, executors, officers, directors, partners and employees (in each case in their capacity as such) (each, a “Seller Releasee”), arising out of, based upon or resulting from any Contract, transaction, event, circumstance, action, failure to act or occurrence of any sort or type, whether known or unknown, and which occurred, existed, was taken, permitted or begun prior to the Closing Date; provided, however, that nothing contained in this Section 5.12(b) shall release, discharge, waive or otherwise affect the rights or obligations of any party to the extent related to or arising out of any Contracts or any other claims, demands, obligations, liabilities, defenses, affirmative defenses, setoffs, counterclaims, actions and causes of action of whatever kind or nature as set forth in Section 5.12(b) of the Seller Disclosure Schedule. The foregoing release shall not apply to any claim arising under the terms of any Transaction Agreement (including indemnification claims) or any claim alleging fraud or intentional misconduct. The Company shall, and shall cause each Company Releasor to, refrain from, directly or indirectly, asserting any claim or demand or commencing, instituting or causing to be commenced, any legal proceeding of any kind against any Seller Releasee based upon any matter released pursuant to this Section 5.12(b). The parties hereto hereby acknowledge and agree that the execution of this Agreement shall not constitute an acknowledgment of or an admission by any Company Releasor or Seller Releasee of the existence of any such claims or of liability for any matter or precedent upon which any liability may be asserted.

(c) Effective as of the Closing, Seller, for itself and on behalf of its Affiliates (other than the Company and the Company Subsidiaries), hereby irrevocably and forever waives and releases any right to indemnification, contribution, reimbursement, set-off or other rights to recovery that Seller or any of its Affiliates might otherwise have against any of the Company or the Company Subsidiaries with respect to representations and warranties made and the covenants, obligations and agreements to be performed at or prior to the Closing by the Company or any of the Company Subsidiaries in this Agreement and the certificates delivered at the Closing pursuant to Section 6.03.

Section 5.13 Employee Matters.

(a) Effective as of 12:00 am (local time) on January 1, 2020, Seller shall, and shall cause its Affiliates to, (i) transfer the employment of each TPA Employee who is based in the United States to one or more regulated Affiliates of Seller other than the Company or the Company Subsidiaries (each such Affiliate, a “Transition Employer”) and (ii) cause each such TPA Employee who remains employed by the Transition Employer to continue to be eligible to participate in the Seller Benefit Plans, including the Seller annual bonus and other Seller compensation programs, in which the TPA Employee participated immediately prior to the transfer of employment in clause (i) above, in accordance with the terms of such plans in effect from time to time, until the consummation of the Separation (as defined in the Separation Plan). Upon consummation of the Separation (as defined in the Separation Plan), all such TPA Employees will cease to participate in, or accrue benefits under, the Seller Benefit Plans.

(b) Seller and the Company shall, and shall cause their Affiliates to, cause each Employee who is based in the United States to (i) become eligible to participate in the Fortitude Benefit Plans (as defined below) and be covered by the payroll systems that are sponsored and maintained by the Company or the Company Subsidiaries on or prior to the Closing Date and (ii) cease to participate in, or accrue benefits under, the Seller Benefit Plans effective as of 11:59 pm (local time) on the day immediately preceding the Fortitude Benefits Commencement Date for such Employees, other than Seller bonus and incentive plans and programs, in which such Employees shall continue to participate until the Closing Date.

(c) Seller and the Company shall, and shall cause their Affiliates to, (i) transfer the employment of each Bermuda-based Employee of the Business (the “Bermuda Employees”) to the Company or a Company Subsidiary designated by the Company effective as of January 1, 2020, (ii) cause the Bermuda Employees to become eligible to participate in Fortitude Benefit Plans and be covered by payroll systems that are sponsored and maintained by the Company or the Company Subsidiaries effective as of 12:00 am (local time) on January 1, 2020 and (iii) cause the Bermuda Employees to cease to participate in, or accrue benefits under, the Seller Benefit Plans effective as of 11:59 pm (local time) on December 31, 2019.

(d) Seller shall, and shall cause its Affiliates to, take such actions as are reasonably necessary or advisable to cause the Company to adopt and become legal sponsor of the employee compensation and benefit plans set forth on Section 5.13(d) of the Seller Disclosure Schedule, or as determined by the Carve-out Committee in its sole discretion (the “Fortitude Benefit Plans”) effective as of the dates and times contemplated by Section 5.13(b)(i) and Section 5.13(c)(ii).

(e) During the Comparability Period, the Company shall provide to each Employee who remains employed by the Company or the Company Subsidiaries, annual base salary, commission or wage rate at a rate not less than such Employee's annual base salary, commission or wage rate as in effect immediately prior to the Closing Date; provided that, subject to the foregoing, nothing herein is intended to limit the right of the Company or the Company Subsidiaries to (x) terminate the employment of any Employee at any time, (y) change or modify any incentive compensation or employee benefit plan or arrangement at any time and in any manner or (z) change or modify the terms or conditions of employment for any of their Employees.

(f) For purposes of determining eligibility, vesting, benefit accruals and benefit levels under the Fortitude Benefit Plans, the Company shall give each Employee full credit for such Employee's service with Seller, the Company, and their respective Affiliates to the same extent recognized by Seller, the Company and their respective Affiliates under the analogous Seller Benefit Plans immediately prior to the Fortitude Benefits Commencement Date, except with respect to benefit accrual under any defined benefit pension or retiree life insurance or retiree medical plan, or to the extent it would result in a duplication of benefits with respect to the same period of service.

(g) The Company and the Company Subsidiaries shall recognize and provide all accrued but unused paid time off of the Employees as of the Closing Date.

(h) From and after the Closing Date, the Company shall continue to honor, assume and be solely responsible for any and all obligations for and pay, any annual incentive bonuses, and retention/continuity bonuses payable to any Employee pursuant to the terms of any bonus plans or arrangements in effect immediately prior to the Closing Date and applicable to such Employees (in each case to the extent not paid by Seller or any of its Affiliates or the Company prior to the Closing Date). In furtherance of the foregoing, from and after the Closing Date (to the extent not paid by Seller or any of its Affiliates or the Company prior to the Closing Date), (i) for the 2019 fiscal year, the Company shall pay, or cause to be paid, to Employees who remain Employees through the applicable bonus payment date an aggregate amount in bonuses in respect of the foregoing plans and arrangements that is no less than the amount accrued on the Company Consolidated Financial Statements (as adjusted through the Closing Date based on actual performance) in respect of such Employees, and (ii) for the 2020 fiscal year, the Company shall pay, or cause to be paid, to Employees who remain Employees through the applicable bonus payment date bonuses in the ordinary course of business in respect of the foregoing plans and arrangements in accordance with the terms thereof. From and after the Closing Date, neither Seller nor any of its Affiliates shall retain any responsibility for such payment obligations, regardless of when such amounts were earned or accrued.

(i) To the extent that Employees are participating in the analogous Seller Benefit Plans immediately prior to the Fortitude Benefits Commencement Date, the Company shall collect and remit to Seller the employee-portion of all Employee premiums due for medical, dental, life insurance and long-term disability and other welfare benefit plan coverage attributable to the period prior to the Fortitude Benefits Commencement Date, which had not previously been collected and remitted to Seller or an Affiliate of Seller (other than the Company or a Company Subsidiary). With respect to the Employees, on and after the Fortitude Benefits Commencement Date, the Company and the Company Subsidiaries, as applicable, shall have the liability and obligation for, and neither Seller nor any of its Affiliates shall have any liability or obligation for (i) any medical, dental, life insurance, long-term disability or other welfare benefit claims incurred on or after the Fortitude Benefits Commencement Date or (ii) any short-term disability, sick pay or salary continuation benefits; provided that such liability and obligation of the Company or the Company Subsidiaries shall not include any long-term disability benefits that are provided under Seller's long-term disability plan with respect to any disability that commenced prior to the Fortitude Benefits Commencement Date. With respect to Employees whose disability commenced prior to the Fortitude Benefits Commencement Date who are receiving short-term disability payments as of such date, from and after the Fortitude Benefits Commencement Date, the Company and the Company Subsidiaries shall collect from such Employees and remit to Seller or its Affiliates the required after-tax long-term disability premiums with respect to Seller's long-term disability plan for such Employees for the remainder of the six month long-term disability eligibility period applicable to such Employees under Seller's long-term disability plan. The Company and the Company Subsidiaries shall use reasonable best efforts to provide that any preexisting condition clause in any of the welfare plans (including medical, dental and disability coverage) included in any Fortitude Benefit Plan shall be waived for the Employees. The Company and the Company Subsidiaries shall credit the Employees with any amounts paid under the Seller Benefit Plans or Fortitude Benefit Plans, as applicable, prior to the Fortitude Benefits Commencement Date toward satisfaction of the applicable deductible amounts and copayment obligations, as may be applicable, under the corresponding welfare plans of the Company and the Company Subsidiaries for the plan year in which the Employees become eligible to participate in such welfare plans.

(j) From and after the Fortitude Benefits Commencement Date, the Company shall provide the continuation of group health coverage required by Section 4980B(f) of the Code to any Employee and any former Employee of the Company (and in each case their qualified beneficiaries) whose "qualifying event" within the meaning of Section 4980B(f) of the Code occurs on or after such date.

(k) The Company shall, and the Company hereby does, honor, assume and will be solely responsible for all liability and obligation for, and neither Seller nor any of its Affiliates shall retain any liability or obligation for, (i) severance pay and contractual obligations payable to any former Employee of the Company or the Company Subsidiaries who, as of the Closing Date, is receiving or due to receive severance payments and benefits from Seller or any of its Affiliates or the Company from and after the Closing Date, to the extent such costs were not previously allocated to and borne by the Company, and (ii) severance pay and obligations payable to any Employee whose employment is terminated by the Company or a Company Subsidiary on or after the Closing Date (provided that, for the avoidance of doubt, it is hereby acknowledged that, with respect to any former Employee who commenced receiving severance through payroll continuation prior to January 1, 2020 pursuant to a Seller Benefit Plan and for whom the payroll continuation period has not ended as of Closing Date, Seller will continue to provide the normal per employee active medical coverage company/employer contribution each payroll period during the remainder of the severance payroll continuation, if any, in respect of each such former Employee and the Company shall promptly remit to Seller the applicable company portion of the contribution due in respect of such medical coverage for any such former Employee).

(l) The parties hereto shall effectuate a trust-to-trust transfer of the account balances, if any, of Employees under Seller's Incentive Savings Plan ("Seller's Savings Plan") to a tax-qualified defined contribution plan maintained by the Company or one of its Affiliates (the "Company Savings Plan") as set forth in this Section 5.13(l), which transfer may occur prior to, on or after the Closing Date. Seller shall cause the account of each Employee who participates in Seller's Savings Plan to be valued pursuant to the terms of Seller's Savings Plan. As of such valuation date, assets equal in value to the amount credited to each such Employee's account under Seller's Savings Plan shall be transferred to the trust maintained under the Company Savings Plan. Such transferred assets shall be in cash (except the transferred assets shall also include any promissory notes evidencing outstanding loan balances of the Employees), to the extent the transfer and administration of such promissory notes are permissible under the terms of the Company Savings Plan) and shall be transferred in accordance with Section 414(l) of the Code. Prior to, and as a condition of, any transfer of assets, Seller and the Company shall provide the other with satisfactory evidence that its plan is tax-qualified within the meaning of Section 401(a) of the Code. As of the transfer date, the Company Savings Plan shall have sole liability for the payment of benefits accrued by the Employees under Seller's Savings Plan and transferred in respect of such Employees. Seller and the Company shall (i) use reasonable best efforts to minimize the duration of any "blackout period" imposed in connection with each transfer of account balances from the Seller's Savings Plan to the Company Savings Plan and (ii) cooperate to prepare and transmit to impacted Employees any "blackout notice" required in respect of such period.

(m) Immediately prior to the Closing Date, Seller shall cause (x) the accrued benefit of each Employee who is a participant in the nonqualified deferred compensation plan (the "Non-Qualified Plan") and (y) the outstanding long-term incentive plan ("LTIP") awards of each Employee granted prior to the Closing Date ("LTIP Awards"), in each case for (x) and (y), to each Employee as of the date hereof and as set forth in Section 5.13(m) of the Seller Disclosure Schedule, who remains an Employee through the Closing Date, to become fully vested and non-forfeitable effective as of the Closing Date. Seller shall deliver an updated version of Section 5.13(m) of the Seller Disclosure Schedule to Purchasers no more than ten (10) days preceding the Closing Date. Seller and Purchasers agree that (i) payments of outstanding LTIP Awards shall be made in accordance with the terms of the LTIP and (ii) distributions of benefits under the Non-Qualified Plan due to an Employee's separation from service cannot commence until each Employee experiences a separation from service following the Closing Date, and the Company and the Company Subsidiaries shall provide prompt written notice of each such Employee's separation from service with the Company in accordance with such notice procedures as are reasonably acceptable to the Company and Seller in order to facilitate the timely commencement and processing of such distributions. Purchasers and Seller agree that, prior to the Closing Date, Seller shall withhold, or shall direct the Company to withhold and remit to Seller, from each such Employee's paycheck, as required by Law, the employee portion of FICA taxes for the amount of the Non-Qualified Plan benefit payable as a lump sum that vests upon the Closing Date. Purchasers and Seller agree that, upon the Closing Date, with respect to the LTIP awards, Company shall pay Seller the balance of the unrecognized U.S. GAAP stock compensation expense for such awards and with respect to both the Non-Qualified Plan benefit and the LTIP Awards, an amount equal to the employer portion of FICA that Seller must remit to the government on such vested benefits. The Company shall make a cash payment to Seller on the Closing Date in an amount equal to the increase in the liability of the Non-Qualified Plan on Seller's balance sheet that has not yet been expensed resulting from fully vesting the accrued benefit of each Employee who is a participant in the Non-Qualified Plan as of the Closing Date. All cash payments to Seller under this Section 5.13(m) will apply only to the extent such costs were not previously allocated to the Company, and will be reduced by the related Tax benefits received by Seller for making such payments.

(n) Prior to making any material written or oral communications to the directors, officers or employees of the Company or the Company Subsidiaries prior to the Closing Date pertaining to compensation or benefit matters that are affected by the transactions contemplated by this Agreement, each Purchaser shall provide Seller with a copy of the intended communication, Seller shall have a reasonable period of time to review and comment on the communication and Seller and the Company shall cooperate in providing any such mutually agreeable communication.

(o) This Section 5.13 shall be binding upon and insure solely to the benefit of the parties to this Agreement. Accordingly, notwithstanding anything to the contrary, no provision of this Section 5.13 is intended to, or does, constitute the establishment or adoption of, or amendment to, any employee benefit plan (within the meaning of Section 3(3) of, or subject to, ERISA), and no Person participating in any such employee benefit plan maintained by any of the Company and any Company Subsidiary, Seller and its Affiliates (other than the Company) or any Purchaser or its Affiliates, shall have any claim or cause of action, under ERISA or otherwise, in respect of any provision of this Agreement as it relates to any such employee benefit plan or otherwise.

(p) Prior to replacing any person set forth on Schedule 5.13(p) (each such person, a “Key Person”) during the time period specified on Schedule 5.13(p) as to such Key Person, to the extent practicable, the Company shall notify Seller in writing of (a) the identity of any such proposed replacement of such Key Person and (b) the experience of any such proposed replacement of such Key Person. In addition, the Company shall use reasonable best efforts to consult with Seller prior to hiring any individual replacing any Key Person and shall consider in good faith Seller’s views as to the experience and qualifications of any such replacement. Nothing in this Section 5.13(p) shall prohibit the Company from terminating the employment of any Key Person or require the Company to replace, or hire any particular individual to replace, a Key Person whose employment has terminated.

Section 5.14 Seller Corporate Credit Card Program Concurrently with the Closing, Seller and the Company shall, and shall cause their respective Affiliates to, take such actions as may be necessary to terminate the participation of the Company and the Company Subsidiaries and their respective employees in the Credit Card Program. From time to time following the Closing, the Company shall promptly reimburse and indemnify, defend and hold harmless Seller or any of its Affiliates for any amounts paid or otherwise incurred by Seller or any of its Affiliates under the Credit Card Program on behalf of the Company or any of the Company Subsidiaries or their respective employees to the extent that Seller and its Affiliates have not previously been reimbursed for such amounts.

Section 5.15 Post-Closing Transaction Agreements. To the extent not executed and delivered prior to or at the Closing, then following the Closing, Seller shall cause its relevant Subsidiaries to, and Purchasers shall cause the relevant Company Subsidiaries to, execute and deliver the Post-Closing Transaction Agreements, promptly upon receipt by all such Persons of all Required Approvals in respect thereof.

Section 5.16 D&O Liabilities. ARTICLE VII

Section 7.01 Termination.

(a) Notwithstanding anything to the contrary herein, this Agreement may be terminated, with respect to one or more parties as specified below, at any time before the Closing:

(i) by mutual written consent of Seller and Purchasers;

(ii) by Seller or either Purchaser (with respect to such Purchaser) in the event of the issuance of a final, nonappealable Judgment issued by any court of competent jurisdiction preventing the consummation of the Acquisition or the other transactions contemplated by the Closing Transaction Agreements;

(iii) by Seller or either Purchaser (with respect to such Purchaser), if the Closing does not occur on or before August 25, 2020; provided, however, that if the sole reason that the Closing has not occurred is that one or more of the Required Approvals has not been obtained on or prior to such date, the parties agree to extend such date to November 25, 2020 (either such date, the "Outside Date"); provided that (A) Seller shall not be permitted to terminate this Agreement pursuant to this Section 7.01(a)(iii) if the failure to consummate the Closing by the Outside Date results from a material breach by Seller of any of its representations, warranties, covenants or agreements contained herein, and (B) no Purchaser shall be permitted to terminate this Agreement pursuant to this Section 7.01(a)(iii) if the failure to consummate the Closing by the Outside Date results from a material breach by such Purchaser of any of its representations, warranties, covenants or agreements contained herein;

(iv) by Seller (with respect to the applicable Purchaser) in the event of a breach by any Purchaser of any of its representations, warranties, covenants or agreements contained herein that have not been waived by Seller and would result in the failure to satisfy any of the conditions set forth in Section 6.01 or Section 6.03, and such breach is either not capable of being cured prior to the Outside Date or, if curable, has not been cured within 30 days after written notice thereof has been delivered by Seller to such Purchaser;

(v) by either Purchaser (with respect to such Purchaser) in the event of a breach by Seller or the Company of any of their representations, warranties, covenants or agreements contained herein that have not been waived by such Purchaser and would result in the failure to satisfy any of the conditions set forth in Section 6.01 or Section 6.02, and such breach is either not capable of being cured prior to the Outside Date or, if curable, has not been cured within 30 days after written notice thereof has been delivered by such Purchaser to Seller; or

(vi) by Seller if (i) all the conditions set forth in Section 6.01 and Section 6.02 have been satisfied or waived (other than those conditions that by their nature are to be satisfied at Closing), (ii) Seller has irrevocably confirmed to Purchasers in writing that Seller is prepared to take such actions within its control to cause the Closing to occur and (iii) Carlyle Buyer does not complete the Acquisition of the Carlyle Buyer Purchased Units by the time set forth in Section 1.03.

Section 7.02 Effect of Termination.

(a) If this Agreement is terminated with respect to T&D and T&D Holdings (but not Carlyle Buyer) pursuant to and in accordance with this Section 7.01, (i) the T&D Acquired Portion shall be deemed to be zero, (ii) as soon as reasonably practical, Seller and Carlyle Buyer shall amend and restate this Agreement and the other Transaction Agreements, as applicable, so T&D and T&D Holdings are not reflected as parties to this Agreement or any of the other Transaction Agreements, and, with respect to the Amended and Restated Operating Agreement, to make the changes set forth on Schedule 7.02 hereto, and (iii) subject to the next proviso, this Agreement shall become null and void and of no further force and effect with respect to T&D and T&D Holdings and with respect to Seller vis a vis T&D and T&D Holdings, and all further obligations of such parties under this Agreement shall terminate, except as otherwise set forth in this Section 7.02 and except for Section 5.02, Section 7.01, and ARTICLE X; provided that nothing in this Section 7.02 shall be deemed to release any party from liability for any willful breach of this Agreement, and the rights of each party to pursue all remedies for any such willful breach will survive such termination unimpaired.

(b) If this Agreement is terminated and the Acquisition is abandoned with respect to all parties pursuant to and in accordance with Section 7.01, then, subject to the next proviso and Section 7.02(c), as applicable, this Agreement shall become null and void and of no further force and effect, and all further obligations of the parties under this Agreement shall terminate, except as otherwise set forth in this Section 7.02 and except for Section 5.02, the second sentence of Section 5.20(b), Section 7.01, and ARTICLE X; provided that nothing in this Section 7.02 shall be deemed to release any party from liability for any willful breach of this Agreement, and the rights of each party to pursue all remedies for any such willful breach will survive such termination unimpaired.

(c) In the event that Seller shall terminate this Agreement pursuant to Section 7.01(a)(iv) (with respect to a breach by Carlyle Buyer) or Section 7.01(a)(vi), then Carlyle Holdings shall be required to pay to Seller the Carlyle Buyer Termination Fee within two Business Days after termination of this Agreement by wire transfer of immediately available funds in U.S. Dollars to an account designated by Seller. In the event that Seller or its designee shall receive full payment pursuant to this Section 7.02(c), the receipt of the Carlyle Buyer Termination Fee shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Seller, any of its Affiliates or any other Person in connection with this Agreement, the transactions contemplated hereby (and the abandonment or termination thereof) or any matter forming the basis for such termination, and neither Seller, any of its Affiliates nor any other Person shall be entitled to bring or maintain any claim, action or proceeding against Carlyle Holdings, Carlyle Buyer, the Carlyle Buyer Investors or other financing sources of Carlyle Buyer, T&D, T&D Holdings or any other related party of any of the foregoing arising out of or in connection with this Agreement, any of the transactions contemplated hereby (or the abandonment or termination thereof) or any matters forming the basis for such termination, except with respect to willful breach, and except as set forth in the second sentence of Section 5.20(b).

Section 7.03 Extensions; Waivers. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the parties granting such extension or waiver. In no event shall Carlyle Buyer be authorized to furnish any such extension or waiver on behalf of T&D.

With respect to any Loss paid to the Company pursuant to this Section 8.03(f), only a percentage of such amount so contributed equal to the Carlyle Buyer Acquired Portion (in the case of Carlyle Buyer) and the T&D Acquired Portion (in the case of T&D) shall be taken into account for the purposes of applying the limitations on indemnification by Seller set forth in Section 8.03(b), Section 8.03(c) and Section 8.03(e); provided, that the deductible applicable to any such amount so contributed shall be equal to the Carlyle Buyer Deductible (in the case of Carlyle Buyer) and the T&D Deductible (in the case of T&D).

(g) Except as otherwise specifically provided in Section 10.10, and except in the case of actual fraud or willful breach by the other parties (T&D and Carlyle Buyer being deemed a single party for purposes of the foregoing exception) or their Affiliates, each party acknowledges that its sole and exclusive remedy for any breach or inaccuracy of any representation, warranty, covenant or agreement contained in this Agreement or any instrument or certificate delivered with respect thereto shall be pursuant to the indemnification provisions set forth in this ARTICLE VIII. In furtherance of the foregoing, and except in the case of actual fraud or willful breach by the other parties (T&D and Carlyle Buyer being deemed a single party for purposes of the foregoing exception) or their Affiliates, each party hereby waives, from and after the Closing Date, to the fullest extent permitted under Law, any and all other rights, claims and causes of action for damages it may have against the other parties hereto arising out of this Agreement and any certificate delivered pursuant hereto (except pursuant to the indemnification provisions set forth in Section 8.01). The parties acknowledge that, prior to the Closing, and except in the case of actual fraud or willful breach by the other parties (T&D and Carlyle Buyer being deemed a single party for purposes of the foregoing exception) or their Affiliates, their sole and exclusive remedy with respect to any and all claims relating to this Agreement, the Acquisition, the Company and the Company Subsidiaries and their assets and liabilities shall be, in the event that any of the conditions set forth in ARTICLE VI have not been satisfied or waived, refusal to consummate the Acquisition and termination of this Agreement pursuant to ARTICLE VII (except as otherwise set forth in ARTICLE VII). Nothing in this Section 8.03(g) shall (i) limit a party's right to seek a remedy on account of actual fraud in respect of any of the representations and warranties expressly set forth in this Agreement or any other Transaction Agreement or (ii) otherwise limit any of the rights, remedies, claims and causes of action that any party may have pursuant to the terms of any other Transaction Agreement in effect following the Closing.

(h) Notwithstanding anything to the contrary set forth herein, no Purchaser Indemnitee shall be entitled to indemnification pursuant to this ARTICLE VIII to the extent (i) the Losses in respect of the matter in question do not exceed the amount of the reserves specifically established with respect to such matter that are reflected on the Financial Statements and (ii) Seller has provided each Purchaser with materials that reasonably demonstrate that such reserves (including the amount thereof) were in fact specifically established on the Financial Statements for such matter; provided that, for the avoidance of doubt, subject to the limitations set forth in this Article VIII, a Purchaser Indemnitee shall be entitled to indemnification for any Losses in excess of the amount of the reserves specifically established with respect to such matter that are reflected on the Financial Statements.

(i) The parties acknowledge and agree that neither Section 3.08 nor Section 3.15 of this Agreement is intended to supplant the allocation of liability with respect to Extra-Contractual Obligations as provided by the P&C Reinsurance Agreements, and no Purchaser Indemnitee shall be entitled to pursue any indemnification claims pursuant to this ARTICLE VIII for a breach of Section 3.08 or Section 3.15 with respect to any Extra-Contractual Obligations arising under the P&C Reinsurance Agreements.

(j) Seller shall have no liability under Section 8.01(a) for a breach of the representations and warranties in Section 3.17(a) and Section 3.17(b) with respect to Taxes for any period following the Closing Date.

(k) Except in the event of T&D's tortious interference with contract or T&D otherwise causes such breach, act or omission, in no event shall (i) T&D have any Liability to Seller arising out of any breach or other act or omission of Carlyle Buyer or any of its Affiliates or (ii) any indemnification recovery by a T&D Indemnitee be reduced as a result of any breach or other act or omission of Carlyle Buyer or any of its Affiliates. Except in the event of Carlyle Buyer's tortious interference with contract or Carlyle Buyer otherwise causes such breach, act or omission, in no event shall (A) Carlyle Buyer have any Liability to Seller arising out of any breach or other act or omission of T&D or any of its Affiliates or (B) any indemnification recovery by a Carlyle Buyer Indemnitee be reduced as a result of any breach or other act or omission of T&D or any of its Affiliates.

Section 8.04 Calculation of Losses: Treatment of Payments.

(a) If any portion of Losses to be reimbursed by the Indemnifying Party may be covered, in whole or in part, by third-party insurance coverage maintained by the Indemnified Party or its Affiliates or otherwise under the terms of any Contract (including rights of set-off) to which an Indemnified Party is a party, the Indemnified Party shall, if requested by the Indemnifying Party, use its reasonable best efforts, at the Indemnifying Party's cost, to recover or collect the maximum amount of such Losses recoverable under such insurance coverage or Contract. The amount of any Loss for which indemnification is provided under this ARTICLE VIII shall be net of any amounts recovered by an Indemnified Party under any insurance coverage or against any third party with respect to such Loss, reduced by any costs or expenses incurred by the applicable Indemnified Party or its Affiliates in seeking such recovery. No payment of any amount otherwise payable by an Indemnifying Party pursuant to this ARTICLE VIII shall be delayed pending any determination of such recoveries. If an Indemnified Party recovers under any insurance policy or against any third party, with respect to any Loss for which an indemnifying party has actually made an indemnification payment pursuant to this ARTICLE VIII, such Indemnified Party shall promptly pay over to the Indemnifying Party the net amount so recovered, but not in excess of the amount previously paid by the Indemnifying Party to or on behalf of such Indemnified Party in respect of such claim. In no event shall any party have any liability hereunder for Losses based solely on reputational harm.

(b) The indemnity payment hereunder with respect to any Loss paid to the Company, a Company Subsidiary or a Purchaser shall be calculated after taking into account all reductions in federal, state, local and foreign Taxes (including estimated Taxes) actually realized by the Company, Company Subsidiary or such Purchaser in the taxable year of the Loss being sustained or paid (or the subsequent three taxable years) as a result of the event giving rise to such Loss.

(c) Notwithstanding any contrary provision of this Agreement, Section 1.06 shall provide the sole and exclusive remedy for any adverse development of, error in the determination of, or, except as set forth in Section 3.20, other matter relating to, any reserves established with respect to the Covered Business.

(d) For purposes of determining whether a breach of any representation or warranty made in this Agreement has occurred, and for calculating the amount of any Loss under this Article VIII, each representation and warranty contained in this Agreement shall be read without regard to any "materiality," "Company Material Adverse Effect," "Seller Material Adverse Effect," "Purchaser Material Adverse Effect" or other similar qualification contained in or otherwise applicable to such representation or warranty, other than the representations and warranties in Section 3.05(c)(ii), Section 3.06(a), the penultimate sentence of Section 3.08(a) and Section 3.16(a).

(e) Purchasers and Seller agree that, for federal income tax purposes, payment by Seller to a Purchaser in respect of a Loss pursuant to this ARTICLE VIII shall be treated as an adjustment to the Purchase Price.

Section 8.05 Survival of Representations, Warranties, Covenants and Agreements; Waiver; Termination of Indemnification

(a) The representations, warranties, covenants and agreements contained herein shall survive the Closing solely for purposes of this ARTICLE VIII as follows: (i) the Fundamental Representations shall survive indefinitely; (ii) all other representations and warranties shall survive until the date that is 18 months following the Closing Date; (iii) the covenants and agreements that by their terms apply or are to be performed in whole or in part after the Closing Date shall survive the Closing and remain in effect for the period provided in such covenants and agreements, if any, or if later, until fully performed; and (iv) the covenants and agreements that by their terms are to be performed entirely on or prior to the Closing Date shall survive until the date that is 18 months following the Closing Date.

(b) The obligations to indemnify and hold harmless any party (i) pursuant to Section 8.01(a) (in the case of Seller) or Section 8.02(a) (in the case of Purchasers), as applicable, shall terminate when the applicable representation or warranty terminates in accordance with this Section 8.05, and (ii) pursuant to Section 8.01(b) (in the case of Seller) or Section 8.02(b) (in the case of Purchasers), as applicable, shall terminate when the applicable covenant terminates in accordance with this Section 8.05; provided, however, that such obligations to indemnify and hold harmless shall not terminate with respect to any item as to which a Seller Indemnitee or Purchaser Indemnitee, as applicable, shall have, before the expiration of the applicable period, made a claim by delivering a notice of such claim to the indemnifying party.

Section 8.06 Procedures.

(a) Third Party Claims. In order for a Person (the "Indemnified Party") to be entitled to any indemnification provided for under Section 8.01 or Section 8.02 in respect of, arising out of or involving a claim made by any Person not a party hereto against the Indemnified Party (a "Third Party Claim"), such Indemnified Party must notify the indemnifying party (the "Indemnifying Party") in writing of such Third Party Claim (setting forth in reasonable detail the facts giving rise to such Third Party Claim (to the extent known by the Indemnified Party) and the amount or estimated amount (to the extent reasonably estimable) of Losses arising out of such Third Party Claim) promptly after receipt by such Indemnified Party of notice of such Third Party Claim; provided that the failure to provide such notice shall not release the Indemnifying Party from any of its obligations under this Article except to the extent the Indemnifying Party forfeits rights or defenses, or is otherwise actually prejudiced by such failure. Thereafter, the Indemnified Party shall deliver to the Indemnifying Party, promptly (and in any event within ten Business Days) after the Indemnifying Party's demand therefor, copies of all notices and documents (including court papers) received by the Indemnified Party relating to the Third Party Claim.

(b) Assumption. If a Third Party Claim is made against an Indemnified Party, the Indemnifying Party shall be entitled to participate in the defense thereof at its own cost and expense and (unless the Indemnifying Party is also a party to such Third Party Claim and the Indemnified Party provides the Indemnifying Party with written advice of counsel to the Indemnified Party to the effect that there may be legal defenses available to the Indemnified Party that are different from or additional to those available to the Indemnifying Party and, that, in each case, if the Indemnified Party and the Indemnifying Party were to be represented by the same counsel, would constitute a conflict of interest for such counsel or materially prejudice the prosecution of the defenses available to such Indemnified Party, in which case the Indemnifying Party shall reimburse the Indemnified Parties for the costs and expenses of one outside counsel to represent all Indemnified Parties in such matter), if it so chooses, to assume the defense thereof with counsel selected by the Indemnifying Party; provided, however, that such counsel is not reasonably objected to by the Indemnified Party. Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to assume or maintain control of the defense of any Third Party Claim and shall pay the reasonable fees, costs and expenses of one outside counsel retained by all Indemnified Parties to the extent the Third Party Claim relates to or arises in connection with any criminal proceeding, action, indictment, allegation, or investigation against the Indemnified Party. The assumption of the defense of any Third Party Claim shall be made by notice to the Indemnified Party not later than 20 Business Days following delivery of the applicable notice of claim to the Indemnifying Party, and the Indemnified Party may take such actions necessary or appropriate to defend such Third Party Claim until it receives notice from the Indemnifying Party, but without in any way waiving or otherwise affecting the Indemnified Party's rights to indemnification pursuant to this Agreement. The Indemnifying Party shall be liable for the reasonable fees, costs and expenses of one outside counsel employed by all Indemnified Parties for any period during which the Indemnifying Party has not assumed the defense of a Third Party Claim for which the Indemnified Party is entitled to indemnification hereunder. If the Indemnifying Party assumes the defense of a Third Party Claim in accordance with this Section 8.06(b), the Indemnifying Party shall not, so long as it diligently conducts the defense of the applicable Third Party Claim, be liable to the Indemnified Party for any legal expenses incurred by the Indemnified Party in connection with the defense thereof incurred after the date on which the Indemnified Party received notice thereof. Any such participation or assumption shall not constitute a waiver by any party of any attorney-client privilege in connection with such Third Party Claim. If the Indemnifying Party assumes the defense of a Third Party Claim in accordance with this Section 8.06(b), the Indemnified Party shall have the right to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the Indemnifying Party, it being understood that the Indemnifying Party shall control such defense. If the Indemnifying Party chooses to defend or prosecute a Third Party Claim, all the Indemnified Parties shall cooperate in the defense or prosecution thereof at the Indemnifying Party's expense. Such cooperation shall include the retention and (upon the Indemnifying Party's request) the provision to the Indemnifying Party, during normal business hours, of records and information that are reasonably relevant to such Third Party Claim, and making employees available during normal business hours as may be reasonably necessary to defend against such Third Party Claim for the purpose of providing additional information, explanation or testimony in connection with such Third Party Claim. Whether or not the Indemnifying Party assumes the defense of a Third Party Claim, the Indemnified Party shall not admit any liability with respect to, or settle, compromise or discharge, such Third Party Claim without the Indemnifying Party's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. If the Indemnifying Party assumes the defense of a Third Party Claim, the Indemnifying Party shall not settle such Third Party Claim without the consent of the Indemnified Party (which consent shall not be unreasonably withheld, conditioned or delayed), except that the Indemnifying Party shall have the right to settle such Third Party Claim without the consent of the Indemnified Party if (i) such settlement (A) does not involve any finding or admission of any violation of applicable Law, and does not include a statement or admission of fault, culpability or failure to act, in each case, by or on the part of any Indemnified Party, (B) does not involve any relief against the Indemnified Party other than monetary damages and (C) provides a customary, complete and unconditional release of the Indemnified Party from any and all liability in connection with such Third Party Claim and (ii) the Indemnifying Party pays or causes to be paid all amounts arising out of such settlement or judgment concurrently with the effectiveness of such settlement or judgment (other than as contemplated by Section 8.03).

(c) If the Indemnifying Party chooses to defend any Third Party Claim, the Indemnified Party (i) shall not, without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, conditioned or delayed) cause, or agree to, the waiver of the attorney-client privilege, attorney work-product immunity or any other privilege or protection in respect of confidential legal memoranda and other privileged materials drafted by, or otherwise reflecting the legal advice of, internal or outside counsel of an Indemnified Party (the “Subject Materials”) relating to such Third Party Claim and (ii) shall, upon the reasonable request of the Indemnifying Party, make reasonably available to the Indemnifying Party during normal business hours such books, records or other documents and employees and Representatives reasonably related to such Third Party Claim or any related claim or counterclaim that are within the Indemnified Party’s possession and control that are necessary or appropriate for such litigation or other legal proceeding or for any internal or external audit work in respect of such Third Party Claim conducted by the Indemnifying Party. Each party hereto mutually acknowledges and agrees, on behalf of itself and its Affiliates, that (A) each shares a common legal interest in preparing for the defense of legal proceedings, or potential legal proceedings, arising out of, relating to or in respect of any actual or threatened Third Party Claim or any related claim or counterclaim, (B) the sharing of Subject Materials will further such common legal interest and (C) by disclosing any Subject Materials to and/or sharing any Subject Materials with the Indemnifying Party, the Indemnified Party shall not waive the attorney-client privilege, attorney work-product immunity or any other privilege or protection.

(d) Other Claims. In the event any Indemnified Party has a claim against any Indemnifying Party under Section 8.01 (in the case of indemnification by Seller) or Section 8.02 (in the case of indemnification by Purchasers), as applicable, that does not involve a Third Party Claim, the Indemnified Party shall deliver notice of such claim to the Indemnifying Party (setting forth in reasonable detail the facts giving rise to such claim (to the extent known by the Seller Indemnitee or Purchaser Indemnitee) and the amount or estimated amount (to the extent reasonably estimable) of Losses arising out of such claim) promptly after becoming aware of such claim. The failure by the Indemnified Party to provide such notice shall not release the Indemnifying Party from any of its obligations under this ARTICLE VIII, except to the extent the Indemnifying Party forfeits rights or defenses, or is otherwise actually prejudiced by such failure. The Indemnifying Party shall have a period of 30 days within which to respond to such claim. If the Indemnifying Party rejects all or any part of such claim or fails to respond within such period, the Indemnified Party shall be free to seek enforcement of its rights of indemnification under this Agreement with respect to such claims.

(e) Mitigation. Each party shall cooperate with the other parties with respect to resolving any claim or liability with respect to which one party is obligated to indemnify another party hereunder, by using reasonable best efforts, at the applicable Indemnifying Party’s expense, to mitigate or resolve any such claim or liability after such party gains actual knowledge of such claim or liability.

(f) Purchaser Representative. With respect to any particular indemnification claim T&D may elect that Carlyle Buyer function as its representative for purposes of providing and receiving notices to Seller under this Article VIII. If T&D so determines that Carlyle Buyer shall function in such capacity, T&D shall provide prompt written notice to such effect to Carlyle Buyer and Seller, which written notice shall specify the scope of the additional authority, if any, delegated by T&D to Carlyle Buyer with respect to such indemnification claim.

Section 8.07 Reserves. Notwithstanding anything to the contrary in this Agreement or the other Transaction Agreements, Purchasers acknowledge and agree that none of Seller, the Company or any of its Affiliates makes any representation or warranty (express or implied), and nothing contained in this Agreement, the other Transaction Agreements or any other agreement, document or instrument to be delivered in connection with the Acquisition is intended or shall be construed to be a representation or warranty (express or implied) of Seller, the Company or any of its Affiliates, with respect to: (a) the adequacy or sufficiency of the reserves of Fortitude Re; (b) the effect of the adequacy or sufficiency of the reserves of Fortitude Re on any “line item” or asset, liability or equity amount; or (c) the future experience or profitability arising from the business of Fortitude Re or that the reserves of Fortitude Re have been or will be adequate or sufficient for the purposes for which they were established or that the reinsurance recoverables taken into account in determining the amount of such reserves will be collectible. Nothing in this Section 8.07 shall limit the rights of the Company under Section 1.06.

ARTICLE IX

T&D Holdings Guarantee

Section 9.01 Guarantee.

(a) T&D Holdings hereby absolutely, unconditionally and irrevocably guarantees to Seller, as primary obligor and not merely as a surety, (i) the due and punctual payment of all monetary obligations of T&D under this Agreement and the Transaction Agreements and (ii) the full and complete performance of all covenants and agreements of T&D under this Agreement and the Transaction Agreements (the obligations of T&D specified in clauses (i) and (ii) above, collectively, the “Guaranteed Obligations”).

(b) The guarantee contained in this Article IX shall remain in full force and effect until all of the Guaranteed Obligations shall have been satisfied by payment or performance in full.

Section 9.02 Nature of Guarantee. T&D Holdings guarantees that the Guaranteed Obligations will be duly and punctually paid and performed in accordance with the terms of this Article IX. If for any reason T&D shall fail or be unable to duly and punctually pay or perform, or cause to be duly and punctually paid or performed, the Guaranteed Obligations as and when the same shall become due, T&D Holdings shall, subject to the terms and conditions of this Article IX, forthwith duly and punctually pay or perform, or cause to be duly and punctually paid or performed, such Guaranteed Obligations. T&D Holdings further agrees that the guarantee contained in this Article IX (the “T&D Holdings Guarantee”) constitutes a guarantee of payment and performance when due and not of collection and is in no way conditioned or contingent upon any attempt to collect from T&D.

Section 9.03 Representations and Warranties of T&D Holdings. T&D Holdings represents and warrants to Seller as follows:

(a) Organization. T&D Holdings is a stock company duly organized, validly existing and in good standing under the Laws of Japan, and has all requisite power and authority necessary to carry on its business as it is now being conducted and to own, lease and operate its assets and properties in all material respects.

(b) Corporate Authorization and No Contravention. T&D Holdings has all corporate power and authority necessary to execute and deliver this Agreement and to perform its obligations in connection with the T&D Holdings Guarantee. The execution and delivery of this Agreement and the performance of the obligations under the T&D Holdings Guarantee have been duly and validly authorized by the board of directors of T&D Holdings and no other proceedings on the part of T&D Holdings are necessary to authorize this Agreement or the performance of T&D Holdings’s obligations under the T&D Holdings Guarantee, and such execution, delivery and performance do not contravene or constitute a default under (i) any applicable Law, rule or regulation, (ii) its organizational documents or (iii) any material agreement, material Contract, order or other material instrument to which it is a party or its property is subject, except where such contravention or default would not have a material adverse effect on the financial condition, business or operations of T&D Holdings, taken as a whole.

(c) Binding Effect. The T&D Holdings Guarantee constitutes a valid and binding agreement of T&D Holdings, enforceable against T&D Holdings in accordance with its terms subject to the Enforceability Exceptions.

(d) No Consent Required. No approval or authorization by, or filing with, any Governmental Entity is required to be obtained or made by T&D Holdings in connection with the execution, delivery and performance by T&D Holdings of the T&D Holdings Guarantee.

Section 9.04 Sole Obligation of T&D Holdings. Other than Article X, this Article IX contains the only provisions in this Agreement that are applicable to T&D Holdings. T&D Holdings shall not have any obligations under this Agreement other than those expressly set forth in this Article IX and Article X.

ARTICLE X

General Provisions

Section 10.01 Assignment. This Agreement and the rights and obligations hereunder shall not be assignable or transferable by any party (including by operation of law in connection with a merger or consolidation of such party) without the prior written consent of the other parties hereto. Any attempted assignment in violation of this Section 10.01 shall be void. Notwithstanding the foregoing, (a) T&D may assign, without such consent, its rights and obligations hereunder, in whole or in part, to any Subsidiary of T&D Holdings and (b) Carlyle Buyer may assign, without such consent, its rights and obligations hereunder, in whole or in part, to any Subsidiary of Carlyle Holdings; provided, in each case, that no such assignment shall be permitted if such assignment would result in any additional consent or approval of, or filing with, any Governmental Entity being required in connection with the transactions contemplated by this Agreement or any delay would occur with respect to any consent or approval of, or filing with any Governmental Entity that otherwise is required to be made under this Agreement or in connection with the transactions contemplated hereby, but in case of any such assignment, the assigning Purchaser shall be required to remain obligated hereunder in the same manner as if such assignment had not been effected.

(a) The headings contained herein and in any Exhibit or Schedule hereto, the table of contents hereto and the index of defined terms are for reference purposes only and shall not affect in any way the meaning or interpretation hereof. Any disclosure set forth in the Seller Disclosure Schedule, Carlyle Buyer Disclosure Schedule or T&D Disclosure Schedule shall be deemed set forth for purposes of any other section of such schedule to which such disclosure is relevant, to the extent that it is reasonably apparent that such disclosure is relevant to such other section. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part hereof as if set forth in full herein. Any capitalized terms used in any Schedule or Exhibit, but not otherwise defined therein, shall have the meaning as defined herein. When a reference is made herein to a Section, Exhibit or Schedule, such reference shall be to a Section of, or an Exhibit or Schedule to, this Agreement unless otherwise indicated. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time amended, modified or supplemented, including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and all attachments thereto and instruments incorporated therein. References to a Person are also to its permitted successors and assigns. For all purposes of this Agreement, unless otherwise specified herein, (i) “or” shall be construed in the inclusive sense of “and/or”; (ii) words (including capitalized terms defined herein) in the singular shall be construed to include the plural and vice versa and words (including capitalized terms defined herein) of one gender shall be construed to include the other gender as the context requires; (iii) the terms “hereof” and “herein” and words of similar import shall be construed to refer to this Agreement as a whole (including all the Exhibits and Schedules) and not to any particular provision of this Agreement; (iv) the term “including” means “including, without limitation”; and (v) all references herein to “\$” or dollars shall refer to United States dollars. Each of the parties hereto also agrees that any final and unappealable judgment against a party hereto in connection with any action, suit or other proceeding will be conclusive and binding on such party and that such award or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. A certified or exemplified copy of such award or judgment will be conclusive evidence of the fact and amount of such award or judgment. Any process or other paper to be served in connection with any action or proceeding under this Agreement shall, if delivered or sent in accordance with Section 10.05, constitute good, proper and sufficient service thereof.
