The notes are being placed through or purchased by the Agents listed below:

Agent	Principal Amount	Capacity: <input type="checkbox"/> Agent <input checked="" type="checkbox"/> Principal
Lehman Brothers Inc.	U.S.\$25,000,000	

If as Agent: The notes are being offered at a fixed initial public offering price of ___% of principal amount.

If as Principal: The notes are being offered at varying prices related to prevailing market prices at the time of resale.

The notes are being offered at a fixed initial public offering price of 100% of principal amount.

Payment at Maturity:

The notes will be redeemed, on the Stated Maturity Date, at 100% of the principal amount of the notes plus Interest. If the Stated Maturity Date is not a New York business day, such sum will be payable on the following New York business day (without any interest or other payment in respect of such delay).

Events of Default and Acceleration:

In case an Event of Default with respect to any of the notes has occurred and is continuing, the amount payable to a holder of a note upon any acceleration permitted by the notes, will be equal to the amount payable on that note calculated using the date of acceleration as the Observation Date.

In case of default in payment of the notes, whether at the Stated Maturity Date or upon acceleration, from and after that date the notes will bear interest, payable upon demand of their holders, at the interest rate applicable as of the date on which the default occurs, to the extent that payment of interest is legally enforceable on the unpaid amount due and payable on that date in accordance with the terms of the notes to the date payment of that amount has been made or duly provided for.

Other Provisions:

1 Year CMT:	Means the 1-year Constant Maturity US Treasury yield which appears on the Reuters Screen FRBCMT Page on the Observation Date. If such rate does not appear on the Reuters Screen FRBCMT Page or the Reuters Screen FRBCMT Page is unavailable, 1-Year CMT is the 1-year Constant Maturity US Treasury yield as set forth in Federal Reserve Statistical Release H.15 on the Observation Date.
Observation Date:	Means the day which is five (5) New York business days prior to the Stated Maturity Date or, in the case of an Event of Default and acceleration, the date of acceleration.
Day Count Convention:	30/360
Calculation Agent:	AIG Financial Products Corp.

ERISA CONSIDERATIONS

The notes may not be purchased or held by any employee benefit plan or other plan or account that is subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) or Section 4975 of the Code (each, a “plan”), or by any entity whose underlying assets include “plan assets” by reason of any plan’s investment in the entity (a “plan asset entity”), unless in each case the purchaser or holder is eligible for exemptive relief from the prohibited transaction rules of ERISA and Section 4975 of the Code under a prohibited transaction class exemption issued by the Department of Labor or another applicable statutory or administrative exemption. Each purchaser or holder of the notes will be deemed to represent that either (1) it is not a plan or plan asset entity and is not purchasing the notes on behalf of or with plan assets or (2) with respect to the purchase and holding, it is eligible for relief under a prohibited transaction class exemption or other applicable statutory or administrative exemption from the prohibited transaction rules of ERISA and Section 4975 of the Code. The foregoing supplements the discussion under ERISA Considerations in the base prospectus dated July 24, 2006.

USE OF PROCEEDS

We intend to lend the net proceeds from the sale of the notes to our subsidiary AIG Financial Products Corp. or certain of its subsidiaries for use for general corporate purposes.
