To All Policyholders Of American Bankers Insurance Group, Inc.:

Would You Rather Have AIG Or Cendant
Standing Behind Your Insurance Company?

American International Group, Inc. (AIG) and American Bankers Insurance Group, Inc. have entered into a definitive merger agreement. Cendant Corporation is trying to acquire American Bankers for itself. American Bankers' policyholders should study the graphs and charts below and consider who they would prefer standing behind their company in times of need: AIG, among the largest insurance and financial services organizations in the world, or Cendant, a lodging, marketing, car rental and franchising company that has existed in its present form for less than two months.

When It Comes To Financial Strength
There Is No Comparison... (a) (b)

Cendant says what we said about them is "distorted, far-fetched and outrageous."
But they are facts from Cendant's own public filings.

Cendant Chairman Walter Forbes recently said, "Anybody can provide insurance."
(d) We disagree.

The choice is clear:
