AIG COMPLETES ACQUISITION OF LAYA HEALTHCARE

NEW YORK, April 1, 2015 – American International Group, Inc. (NYSE:AIG) today announced the completion of its acquisition of Laya Healthcare, Ireland’s second largest health insurance provider. AIG’s agreement to acquire the company was announced in January 2015.

Laya Healthcare serves 24% of the Irish private health insurance market. In addition, the company offers life, dental, and travel insurance, as well as health and wellness coverage.

Laya Healthcare will become part of AIG’s Health business, which is focused on offering creative solutions to AIG’s customers and partners in a rapidly changing global healthcare environment.

“Expansion of our Health business is critical to AIG’s Consumer Insurance strategy of meeting the broad insurance needs of consumers in markets around the globe,” said Kevin Hogan, AIG’s Chief Executive Officer of Consumer Insurance. “We look forward to working with Laya Healthcare’s experienced management team and building on and learning from its success in the healthcare space.”

AIG has been a part of Ireland’s business community for 40 years. It provides auto, home, personal accident, and travel insurance to the Irish market, as well as commercial insurance products. AIG also has a significant IT and asset management presence in the country, supporting its European and global operations.
