#### Item 4. Purpose of Transaction

Item 4 is amended and restated in its entirety as set forth below.

The Reporting Persons have considered the views of stockholders and third parties with respect to the Issuer. The Reporting Persons are retaining an investment banking firm as a financial advisor and expect the financial advisor to analyze and evaluate their investment in the Issuer over the next several months. The Reporting Persons have determined that they do not currently intend to engage in the solicitation of proxies from the stockholders of the Issuer, do not currently intend to initiate a tender offer for the Common Stock and do not currently expect to purchase additional shares of Common Stock in the open market or from third parties. Further, none of the Reporting Persons or any of their respective officers or directors has any current intention of serving as an officer or director of the Issuer. The Reporting Persons have had a series of recent correspondence and discussions with the Staff of the State of New York Insurance Department, including the correspondence attached as Exhibits E, F, G and H to the Schedule 13D/A filed by the Reporting Persons on December 12, 2007, and in regards thereto, the Reporting Persons have no intention, individually or collectively, of taking any actions which are designed to direct or cause the direction of the management and policies of the Issuer or otherwise exercise a controlling influence over the Issuer. Except for the foregoing, at this time the Reporting Persons have not made any decisions regarding their future intentions with regards to their plans and proposals with respect to the Issuer.

The Reporting Persons reserve the right to change their plans and intentions, including the right to decrease their investment in the Issuer. In particular, any one or more of the Reporting Persons may (i) sell or transfer shares of Common Stock in public or private transactions (including, without limitation, transfers among Reporting Persons or between any Reporting Person and any entity affiliated with such Reporting Person, which may include entities not in existence as of the date hereof), (ii) enter into privately negotiated derivative transactions and/or public purchases and sales of puts, calls and other derivative securities to hedge the market risk of some or all of their positions in the Common Stock and/or (iii) take any other action that might relate to or result in any of the actions set forth in response to paragraphs (a) - (j) of Item 4 of Schedule 13D. Any such actions may be effected at any time or from time to time, subject to any applicable limitations imposed on the actions by the Securities Act of 1933, as amended, state insurance regulatory laws or other applicable laws.

Except as otherwise described in this Item 4 and Items 5 and 6, no Reporting Person has formulated any plans or proposals that relate to or would result in any of the events or transactions described in paragraphs (a) - (j) of Item 4 of Schedule 13D.
